

**Question for written answer E-000489/2023
to the Commission**

Rule 138

Moritz Körner (Renew)

Subject: Chat control – EDSA

The European Data Protection Board (EDPB) has called for clear amendments to the proposal for a Regulation laying down rules to prevent and combat child sexual abuse

1. Does the Commission intend to withdraw its proposal and amend it accordingly?
2. What relevance do the criticisms by the EDPB and EDPS have for the Commission?
3. In the Commission's view, should the EDPB and the EDPS provide further opinions on legislative proposals in the future?
