Rule 138  
**Moritz Körner** (Renew)

Subject: China's unofficial police stations

China is alleged to have established dozens of unofficial police stations throughout the EU.

1. Does the Commission know how many such stations exist in the EU? Where are they?
2. What action has it taken against these stations to date?
3. To its knowledge, do any other third countries have unofficial police stations in the EU?
