Rule 138

Morten Petersen (Renew)

Subject: The EU's common VAT rules and Denmark's implementation thereof

1. Can the Commission confirm that there are no EU judgments or other EU decisions entailing a separate obligation for Denmark to modify its VAT exemption for artistic activity?
2. According to the Danish media, the Danish Government has asked the Commission whether Denmark has correctly implemented the EU VAT Directive or whether it is required to introduce VAT on rights management. Can the Commission confirm that it has received such a request and will it make the request available to the European Parliament?
