

Question for written answer E-001665/2023

to the Vice-President of the Commission / High Representative of the Union for Foreign Affairs and Security Policy

Rule 138

Markéta Gregorová (Verts/ALE)

Subject: Far East Team addressing information manipulation and interference emanating from the Peoples Republic of China

The European Parliament resolution of 9 March 2022 on foreign interference in all democratic processes in the European Union, including disinformation called on the European External Action Service (EEAS) to address information manipulation and interference emanating from the People's Republic of China by, among other measures, setting up a Far East team.

1. What concrete measures has the EEAS taken to set up a Far East team to address information manipulation and interference emanating from the People's Republic of China?
2. How does the EEAS measure the current impact of its efforts to address information manipulation and interference emanating from the People's Republic of China?
