Subject: Changes in the implementation of the TFTP Agreement

Given the judgment of the Court of Justice of the European Union in Case C-817/19, what changes in the implementation of the Agreement between the European Union and the United States of America on the processing and transfer of financial messaging data from the European Union to the United States for the purposes of the Terrorist Finance Tracking Program (the TFTP Agreement) does the Commission expect on the part of the US authorities? If it expects none, why is this?
