

**Question for written answer E-001691/2023
to the Commission**

Rule 138

Moritz Körner (Renew)

Subject: Support of LGBTIQ+ projects through Erasmus+

One of the main goals of the Erasmus+ programme is to help education to become more inclusive. Inclusive education is also a key point in the Commission's LGBTIQ Equality Strategy. Given this:

1. How many applications for Erasmus+ programme projects aiming to increase inclusivity for LGBTIQ+ people did each of the national agencies (in EU Member States and non-EU countries) receive in each of the last four years and what percentage was this of the total number of applications received by each national agency?
2. How many Erasmus+ programme projects aiming to increase inclusivity for LGBTIQ+ people did each of the national agencies (in EU Member States and non-EU countries) award a grant in each of the last three years and what percentage was this of the total number of projects supported by each national agency?
3. What amount of Erasmus+ programme funding did each of the national agencies award to Erasmus+ programme projects aimed at increasing inclusivity for LGBTIQ+ people in each of the last four years and what percentage was this of the total amount of funding awarded by each national agency?
