

**Question for written answer E-002422/2023
to the Commission**

Rule 138

Tudor Ciuhodaru (S&D)

Subject: Access for all women in Europe to breast tomosynthesis

When does the Commission intend to ensure, by means of a special programme, access for all women in Europe to breast tomosynthesis, which is the most modern, non-invasive and painless of imaging techniques and one that can make the difference between life and death?
