

**Question for written answer E-002493/2023  
to the Commission**

Rule 138

**Tudor Ciuhodaru (S&D)**

Subject: Pan-European allergy programme

Allergies have become a public health issue across Europe. They are occurring more and more often and with increasing severity. When does the Commission plan to launch a programme for equipping all public buildings with defibrillators and adrenaline auto injectors and for teaching basic allergy first aid in all schools in Europe?
