

**Question for written answer E-002494/2023
to the Commission**

Rule 138

Tudor Ciuhodaru (S&D)

Subject: Uniform EU legislation to protect citizens against activities with a potential for explosion

When does the Commission plan to bring forward uniform EU legislation which clearly establishes safety perimeters for, and rules on the siting of, areas such as LPG and petrol stations where activities are conducted that have a potential for explosion, to ensure these do not affect EU citizens.
