

**Question for written answer E-002636/2023
to the Commission**

Rule 138

Cindy Franssen (PPE)

Subject: Follow up to question E-003485/2022 on the revision of the directive on safety and health for the workplace

A proposal for an EU strategic framework for health and safety at work 2021-2027 was presented by the Commission on 28 June 2021.

In view of the increase in teleworking, it proposed that Council Directive 89/654/EEC of 30 November 1989 on the minimum safety and health requirements for the workplace (first individual Directive within the meaning of Article 16(1) of Directive 89/391/EEC) should be updated and revised in 2023.

1. Can the Commission provide further information on the advice of the working parties referred to in its reply of 14 December 2022 (E-003482/2022 (ASW))?
2. Can the Commission indicate when in 2023 will the Directive be revised?
