

**Question for written answer E-002643/2023
to the Commission**
Rule 138
Cindy Franssen (PPE)

Subject: Follow-up question (E-003484/2022): Ratification of ILO Conventions 155 and 187

The EU Strategic Framework on Health and Safety at Work 2021-2027 makes it clear that the Commission regards health and safety as a top priority.

In June 2022, the ILO decided to make two health and safety conventions (155 and 187) core conventions, making health and safety a fundamental right.

Unfortunately, only 11 EU Member States have ratified both conventions.

What will the Commission do to encourage Member States to ratify both conventions?
