

Question for written answer E-002719/2023
to the Commission
Rule 138
Olivier Chastel (Renew)

Subject: Follow-up to the 'RAMSSES' project

The 'RAMSSES' project was completed in May 2021 and was intended to encourage the roll-out of innovative materials for future marketing in the maritime industry.

1. Can the Commission tell us whether there has been any follow-up to this innovative project beyond its closing date in May 2021?
2. Can the Commission provide a detailed assessment of the results and achievements of the EU-funded 'RAMSSES' project?
