

**Question for written answer E-002881/2023
to the Commission**

Rule 138

Özlem Demirel (The Left)

Subject: Statistics regarding the Frontex Standing Corps

Frontex currently deploys around 2800 officers in 21 Joint Operations at around 300 locations. They come from the Schengen Member States or the Frontex Standing Corps.

1. How many of the 2800 officers deployed in Frontex missions belong to the Frontex Standing Corps and what is their breakdown across the four categories?
2. Could the Commission list the countries where Standing Corps Category 1 staff are deployed and specify the number of such staff in each instance?
3. In which States do those Category 1 staff carry weapons made available to them by the host State and in which States do they carry weapons issued by Frontex?
