

**Question for written answer E-002987/2023/rev.1
to the Commission**
Rule 138
Ivan Vilibor Sinčić (NI)

Subject: Money allocated to Ukraine

Recently, the Hungarian Minister of Foreign Affairs stated that the Hungarian Government demands from the EU and the Ukrainian authorities a detailed report on exactly how the EUR 50-70 billion previously allocated to Ukraine were spent.

Prompted by this request, I would like to ask the Commission the following:

Has control and auditing taken place and does the Commission know where all the allocated money ended up?
