

**Question for written answer E-003160/2023
to the Commission**
Rule 138
Biljana Borzan (S&D)

Subject: Ad blockers on YouTube

YouTube recently decided to end the use of ad blockers on its platform. Users have the choice of enabling ads or paying for YouTube Premium, otherwise they cannot use the platform.

1. Does this decision by YouTube constitute a breach of EU rules?
2. What is being done to enable true choice for consumers?
