

**Question for written answer E-003474/2023
to the Commission**

Rule 138

Barry Andrews (Renew)

Subject: 2023 EU4Health work programme

Cardiovascular disease, including heart failure, is the number one cause of death in the EU.

In this context:

1) Why is cardiovascular disease, including heart failure, not included in the 2023 EU4Health work programme?
