

**Question for written answer E-003528/2023  
to the Commission**

Rule 138

**Loucas Furlas** (PPE)

Subject: EU mobility programmes

According to recent research, less than 10% of the entire student population of the EU has studied abroad, in another Member State.

Bearing in mind that mobility programmes are of vital importance to the EU:

How does the Commission plan to step up efforts to increase student mobility across Member State universities?
