

**Question for written answer E-000161/2024/rev.1
to the Commission**

Rule 138

Sandra Pereira (The Left)

Subject: International conventions and the New Pact on Migration and Asylum

The International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families, the Convention on the Rights of the Child, the Convention on the Elimination of All Forms of Discrimination against Women and the International Convention on Maritime Search and Rescue are some of the UN international conventions that are most pertinent to the New Pact on Migration and Asylum announced by the Commission on 20 December 2023.

I would like to know if the Commission believes the pact is in line with those conventions.

Did the Commission consult, obtain or does it intend to obtain an opinion from the UN bodies working on this matter?
