Subject: Objective of increasing the rate of adult participation in training

As part of the March 2021 European Pillar of Social Rights Action Plan, the EU set a target of increasing the rate of adult participation in training to 60% by 2030.

1. Does the Commission have a clear vision of how it aims to meet that target?
2. What measures have already been taken that are having a significant positive impact on increasing the rate of adult participation in training in the EU?
