(PE754.831v01-00)

Establishing the European Disability Card and the European Parking Card for persons with disabilities

Proposal for a directive

(COM(2023)0512 – C9-0328/2023 – 2023/0311(COD))

**Amendment 370**  
**Cindy Franssen, David Casa, Antonius Manders**

**Proposal for a directive**  
**Article 9 – paragraph 2 a (new)**

*Text proposed by the Commission*

*Amendment*

**2 a. The Commission shall ensure that appropriate funding is made available to the Member States to address costs related to the information provision and awareness raising obligations under this Article and Article 15 of the Directive.**

Or. en

**Amendment 371**  
**David Casa**

**Proposal for a directive**  
**Article 9 – paragraph 3**

*Text proposed by the Commission*

*Amendment*

3. Member States shall take all necessary steps to avoid the risk of forgery or fraud and shall actively combat the fraudulent use and forgery of the European Disability Card and European Parking Card for persons with disabilities.

3. Member States shall take all necessary steps to avoid the risk of forgery or fraud and shall actively combat the fraudulent use and forgery of the European Disability Card and European Parking Card for persons with disabilities ***without jeopardizing access to the card for persons with disabilities.***

Or. en

**Amendment 372**  
**Antonius Manders**

**Proposal for a directive**  
**Article 9 – paragraph 3**

*Text proposed by the Commission*

*Amendment*

3. Member States shall take all necessary steps to avoid the risk of forgery

3. Member States shall take all necessary steps to avoid the risk of forgery

or fraud and shall actively combat the fraudulent use and forgery of the European Disability Card and European Parking Card for persons with disabilities.

or fraud and shall actively combat the fraudulent use and forgery of the European Disability **and Elderly** Card and European Parking Card for persons with disabilities **and older persons**.

Or. en

**Amendment 373**  
**Rosa Estaràs Ferragut**

**Proposal for a directive**  
**Article 9 – paragraph 3 a (new)**

*Text proposed by the Commission*

*Amendment*

**3 a. In addition, the European institutions should disseminate information and training on the European Disability Card on an ongoing basis, through successive training and awareness-raising campaigns on its use, in formats that ensure universal accessibility and with the participation of persons with disabilities and their representative organisations. This information should clearly include the voluntary nature of the card. Specific funding lines should be made available within the Union for this purpose.**

Or. en

**Amendment 374**  
**David Casa**

**Proposal for a directive**  
**Article 9 – paragraph 3 a (new)**

*Text proposed by the Commission*

*Amendment*

**3 a. Member States shall ensure that public fraud, especially in the area of social benefits, is promptly and thoroughly investigated and, where relevant, prosecuted, to ensure the well-**

**Amendment 375**  
**Antonius Manders**

**Proposal for a directive**  
**Article 9 – paragraph 4**

*Text proposed by the Commission*

4. Member States shall take the necessary measures to ensure that holders of a European Disability Card or European Parking Card for persons with disabilities return their cards to the competent authority once the conditions under which they were issued are no longer fulfilled.

*Amendment*

4. Member States shall take the necessary measures to ensure that holders of a European Disability **and Elderly** Card or European Parking Card for persons with disabilities **and older persons** return their cards to the competent authority once the conditions under which they were issued are no longer fulfilled.

**Amendment 376**  
**Miriam Lexmann**

**Proposal for a directive**  
**Article 9 – paragraph 5**

*Text proposed by the Commission*

5. Member States shall take the necessary measures to ensure that in case they encounter cases of abuse or misuse of the cards issued by another Member State on their territory, the competent authorities in the Member State who issued the European Disability Card or European Parking Card for persons with disabilities are informed. The Member State of issuance shall ensure appropriate follow-up in accordance with national law or practice.

*Amendment*

5. Member States shall take the necessary measures to ensure that in case they encounter cases of abuse or misuse of the cards issued by another Member State on their territory, the competent authorities in the Member State who issued the European Disability Card or European Parking Card for persons with disabilities are informed. The Member State of issuance shall ensure appropriate follow-up in accordance with national law or practice. ***Member States shall exchange information on the cases of abuse or misuse of the cards.***

**Amendment 377**  
**Antonius Manders**

**Proposal for a directive**  
**Article 9 – paragraph 5**

*Text proposed by the Commission*

5. Member States shall take the necessary measures to ensure that in case they encounter cases of abuse or misuse of the cards issued by another Member State on their territory, the competent authorities in the Member State who issued the European Disability Card or European Parking Card for persons with disabilities are informed. The Member State of issuance shall ensure appropriate follow-up in accordance with national law or practice.

*Amendment*

5. Member States shall take the necessary measures to ensure that in case they encounter cases of abuse or misuse of the cards issued by another Member State on their territory, the competent authorities in the Member State who issued the European Disability **and Elderly** Card or European Parking Card for persons with disabilities **and older persons** are informed. The Member State of issuance shall ensure appropriate follow-up in accordance with national law or practice.

**Amendment 378**  
**Antonius Manders**

**Proposal for a directive**  
**Article 9 – paragraph 6**

*Text proposed by the Commission*

6. Member States shall carry out checks on compliance with the obligations deriving from the European Disability Card or European Parking Card for persons with disabilities and with the corresponding rights of persons with disabilities holding those cards and person(s) accompanying or assisting them including their personal assistant(s).

*Amendment*

6. Member States shall carry out checks on compliance with the obligations deriving from the European Disability **and Elderly** Card or European Parking Card for persons with disabilities and **older persons** with the corresponding rights of persons with disabilities **and older persons** holding those cards and person(s) accompanying or assisting them including their personal assistant(s).

**Amendment 379**  
**Miriam Lexmann**

Or. en

**Amendment 430**  
**Elena Lizzi, Antonio Maria Rinaldi, Paola Ghidoni**

**Proposal for a directive**  
**Article 15 – paragraph 3 a (new)**

*Text proposed by the Commission*

*Amendment*

**3 a. The Commission is empowered to adopt delegated acts in accordance with Article 11 to supplement the Directive in order to set an official EU website, available in all EU languages, to collect information referred to in paragraph 1 of this article, to facilitate the use for Card holders, in accordance with the relevant accessibility requirements for services set in Annex I of Directive (EU) 2019/882.**

Or. en

*Justification*

*It would be useful to set an EU-level website available in all EU languages that can be browsed by Member State, to facilitate the use for Card holders. This would be much easier for users to navigate than 27 different websites with different layouts, structures, and languages and it will also save costs.*

**Amendment 431**

Or. en

**Amendment 479**  
**Elena Lizzi, Antonio Maria Rinaldi, Paola Ghidoni**

**Proposal for a directive**  
**Annex II – point 5 a (new)**

*Text proposed by the Commission*

*Amendment*

**5 a. Materials.**

***To ensure that data are properly secured against attempts at forgery or fraudulent alteration it is very strongly recommended to use security materials with anti-forgery security elements.***

***Example 1: Security paper with watermark and security fibres. Holographic feature or equivalent security feature. Lamination can be added to protect the document.***

***Example 2: Polycarbonate or equivalent material. In this case, to ensure that data are properly secured against attempts at forgery or fraudulent alteration it is very strongly recommended to integrate the biographical data, including the portrait, and main issue data, into the basic material of the document. Holographic feature or equivalent security feature can be integrated in the structure of the document.***

*Justification*

*The suggestion is to explicitly describe the security materials in this Section.*
