The overall strength of the EMPL Committee remains unchanged (55 Members).

1.3. Reminder: modification of the EMPL meeting dates in February (LE/JK)

In reference to the organisation of the European Parliamentary week, taking place on 18-19 February 2020, the EMPL Committee has been asked to cancel the two half days on 19.2., as the Committee cannot convene in parallel of the EPW Plenary session. The EMPL slot on 20 February remains unchanged.

As a compensation, the EMPL Committee could be allocated an additional slot in case of need, on 17 February pm (subject to confirmation). **Thus, the EMPL Committee meeting dates in February shall be: - Monday 17 February pm**

- Tuesday, 18 February, 17.15-19.00, room ANTALL 6Q2, EMPL Interparliamentary Committee Meeting

- Thursday 20 February am + pm

These slots will be used only to the extent necessary. The EMPL Coordinators already confirmed this slots during the EMPL meeting on 4th December.

2. Points for information/follow-up of previous decisions

2.1. European Parliamentary week 2020 - dates and topics (LS)

The European Semester Conference (Article 13²) will take place on 18-19 February 2020 in Brussels. It will include three plenary sessions as well as **an interparliamentary committee meeting organised by EMPL in the afternoon of 18 February** (starting at 17:15 until 19:00 hrs in room JAN 6Q2).

Following the comments received by the groups, the conclusion for the EMPL ICM looks as follows :

- Vice-President Dubravka Šuica and Commissioner Nicolas Schmit will be invited to participate in the panel on the Child Guarantee
- Commissioner Nicolas Schmit will be invited to participate in the panel on the European Minimum Wage
- Given the limited time (around 50 minutes per topic), only one keynote speaker from a national parliament per panel
- The panel on the Child Guarantee will be renamed as follows : A European Child Guarantee as a tool to fight poverty

Coordinators were informed in an Annex of the latest draft agenda of the EPW 2020, as well as of the draft agenda of the EMPL ICM.

The Coordinators were informed that Commissioner Schmit had suggested an alternative wording for the exchange of views on the minimum wage. A possible new wording would be agreed in a written procedure.

2.2. EMPL delegations in 2020 - update

2.2.1. EMPL delegation to Slovakia - new dates and call for nominations (MP/MiP)

On 2 October 2019, the EMPL Coordinators decided on a delegation to Slovakia, composed of 7 Members plus Chair in the week of 24-28 February.

After consultation of EMPL Coordinators in written procedure (email 10.1.2020) and approval by the Bureau at its meeting of Monday 13.1.2020, the delegation is postponed to week 15, 6-10 April.

² of the Treaty on Stability, Coordination and Governance in the Economic and Monetary Union (TSCG):
“ARTICLE 13

As provided for in Title II of Protocol (No 1) on the role of national Parliaments in the European Union annexed to the European Union Treaties, the European Parliament and the national Parliaments of the Contracting Parties will together determine the organisation and promotion of a conference of representatives of the relevant committees of the European Parliament and representatives of the relevant committees of national Parliaments in order to discuss budgetary policies and other issues covered by this Treaty.”

https://www.consilium.europa.eu/media/20399/st00tscg26_en12.pdf

The proposal is to stay as close as possible to preparations already made, meaning in practice:

1. *To keep the draft programme intact as much as possible (subject to confirmation of the new date from the people/organisations visited in Slovakia). The last version of the draft programme can be found among the annexes*
2. *To plan the delegation again from Monday to Wednesday, namely 6 - 8 April;*
3. *At the EMPL Coordinators meeting of 4 December 2019, the following slots were attributed in accordance with D'Hondt system:*

1	EPP
2	S&D
3	RE
4	EPP
5	S&D
6	Greens/EFA
7	ID

Note that the D'Hondt table has in the meantime been updated (see item 2.2.2 on the delegation to Berlin for the updated table), however, unless the Coordinators object, it is proposed not to revise the slots attributed.

Decision:

The Coordinators

- **approved the arrangements as proposed above, noting that**
 - **the allocation of seats reflected the composition of the EMPL Committee as of 1 February 2020**
 - **the dates would be fine-tuned so as to minimise overlaps with the delegation to Berlin [Chair's guidance after the meeting: delegation to SK 6-8 April, delegation to Berlin 7-9 April]**
- **agreed to send to the EMPL Secretariat their updated nominations for participants by 29 January COB.**

2.2.2. EMPL Delegation to Berlin (Germany), 6-8 April 2020 (RS/SR)

The Bureau, by decision of 16 December 2019, authorised the EMPL delegation to Berlin (Germany) as follows: "...*EMPL mission to Berlin, Germany, up to seven Members plus the EMPL Chair, during week 15 (from 7 to 9 April 2020, three days, including travel time), focused on ongoing EMPL files, such as the revision of EU-Regulation 2004/883 on Social Security Coordination, Public Employment Services, the UN Convention for the Rights of people with disabilities, active ageing, the social economy and the German dual education system, a visit of a European Social Fund co-financed project is also foreseen, whereas the priorities of the German presidency in the EMPL field would not be discussed as this would be done during EMPL Committee meetings;*"

Note that the dates 6-8 April (instead of 7-9 April) seem to be more favourable as regards availability of persons to meet, due to the Easter holidays, starting with 9 April (Maundy Thursday).

According to the **rolling d'Hondt table** on “EMPL delegations in 2020” (see below for information), the order of places regarding the Berlin delegation are follows - taking into account the already consumed places regarding the delegation to Slovakia (places 1-7.):

8	ECR
9	S&D
10	Renew
11	GUE/NGL Greens/EF
12	A
13	EPP
14	EPP

Decision:

The Coordinators

- **approved the arrangements as proposed above, that**
 - **the allocation of seats reflected the composition of the EMPL Committee as of 1 February 2020 and**
 - **the dates would be fine-tuned so as to minimise overlaps with the delegation to Slovakia and to realise possible synergies with the delegation from the REGI³ committee [*Chair’s guidance after the meeting: delegation to SK 6-8 April, delegation to Berlin 7-9 April*]**
- **agreed to send to the EMPL Secretariat your nominations for participants, taking into account the above d’Hondt distribution of places for delegations by 31 January cob.**
- **decided to ask the Policy Department to draft a note on “Social and Employment Policies in Germany”, to be delivered in due time before the delegation.**

For information:

³ REGI mission to Berlin, Brandenburg State and Mecklenburg-Western Pomerania region, Germany, up to eight Members, plus the REGI Chair, during week 15 (6 to 8 April 2020, three days, including travel time), to examine the implementation of regional development and cohesion policies in the region, public investments and the role of EU funding in addressing climate change, the urban-rural divide and demographic challenges as well as to assess efforts made at local and regional level to improve cross-border cooperation with the Central and Eastern European Member States and with the Eastern Neighbourhood.

(please see among the annexes the relevant CoP decision) (SR)**

Decision:

The Coordinators took note of the CoP decision and agreed to return to the matter of a possible ad hoc delegation to Chile or to another destination.

(See also item 7, Ad hoc delegation to the 13th session of the Conference of States Parties to

the CRPD, New York, 10-12 June 2020.)

2.3. Requests for Rules 56/56+/57 - arrangements agreed among Committees

Decision:

The Coordinators

- heard the S&D Coordinator who suggested to amend the joint EMPL/FEMM letter of 23 October 2019, D314423, on *“The EU Strategy for Gender Equality”* as follows: first bullet point: delete “except gender related aspects”; second bullet point: delete “except those based on gender”; third bullet point: delete “except gender related aspects”
- invited the Chair to enter into negotiations in order to seek clarifications with the FEMM Chair;
- took note of the following arrangements:

2.3.1. Old continent growing older - possibilities and challenges related to ageing policy post 2020 (EMPL/9/01676) (MM)

The EMPL and ECON Chairs agreed as follows:

- The scope of the report will not include the aspects of the Pillar 2 and 3 pensions within ECON competences (regulation, supervision), and parts of the draft report and amendments tabled on those aspects will be declared inadmissible. However, the scope of the report will include aspects of the Pillar 2 and 3 pensions within the EMPL competences, related e.g. to workers’ rights, freedom of movement, discrimination at the workplace and social protection.
- The ECON Committee will deliver a Rule 56 opinion.

2.3.2. Quality traineeships in the EU

- the EMPL Committee will be the committee responsible; and
- the CULT Committee will be associated on the basis of Rule 56+

2.3.3. Impacts of EU rules on the free movements of workers and services: intra-EU labour mobility as a tool to match labour market needs and skills”

- the EMPL Committee will be the committee responsible; and
- the IMCO Committee will be associated on the basis of Rule 57

2.3.4. New Avenues for Legal Labour Migration - pursuant to Rule 54, where the EMPL Committee had requested to be associated under Rule 57, the two Committees have reached an agreement on the question of competence as follows:

- the LIBE Committee will be the committee responsible; and
- the EMPL Committee will be associated on the basis of Rule 57

2.3.5. “Report on the implementation of National Roma Integration Strategies: Combating negative attitudes towards people with Romani background in Europe” pursuant to Rule 54, where the EMPL Committee had requested to be associated under

Rule 57, the two Committees have reached an agreement on the question of competence as follows:

- the LIBE Committee will be the committee responsible; and
- the EMPL Committee will be associated on the basis of Rule 57.

2.4 Update on Brexit [EC]

Decision:

The Coordinators took note of the following and noted that further details on new developments would be circulated by email.

Annexes:

- EMPL letter to AFCO as regards the withdrawal agreement (added once adopted on 22.01.)
- letter from EMPL Chair to President Sassoli
- letter from CCC Chair to President Sassoli
- letter from AFET and INTA Chair to CCC Chair

Update on the Withdrawal agreement

Besides EMPL, 9 Committees (IMCO, AGRI, ENVI, LIBE, JURI, TRAN, PETI, INTA, AFET) delivered an opinion to AFCO. While expressing a certain number of concerns, all recommend that the European Parliament gives its consent to the Withdrawal agreement.

Next steps:

- In the EP: AFCO vote: 23 January pm
Plenary vote: 29 January
- In UK 22 January: the bill may pass to the Commons for consideration of any Lords amendments
Once the Commons and Lords agree on the final version of the Bill, it can receive Royal Assent and become an Act of Parliament (the proposals of the Bill now become law).

Update on the future negotiations of a relationship agreement between the Union and the UK

- The TF50 will become TFUK, under the authority of Michel Barnier.
- The European Council will adopt its negotiating mandate in February 2020 - the European Parliament will give its input and express its views.
- Committees have considered at the last CCC meeting that the future agreement with the UK should be dealt with by the parliamentary committees in conformity with the procedure foreseen by the EP Rules of procedure (notably Rules 114 and 105) and in accordance with the committee's competences established by Annex VI.
- As a result, AFET and INTA, the committees in charge of relations with third countries, will lead the process within the EP, while other Committees (including EMPL) will deliver formal opinions to them.
- The Conference of Presidents has still to decide whether a structure similar to the Brexit Steering Group will accompany this new phase.
- If this is the case, this structure would be a forum of discussion and coordination with

a view to facilitate the emergence of a united EP position on the future agreement with the UK (on the model of the MFF Contact Group or of the TTIP Coordination Group).

- The Chair has informed the President, in a letter dated 19 December 2019, that:
 - the EMPL Committee intends to fully exercise its prerogative and follow closely the labour and social aspects of the upcoming negotiations from their very start.
 - Should the conference of President decide to establish a horizontal structure to follow these negotiations, the EMPL Committee requests that the EMPL Chair be granted full membership thereof.

2.5 ECON-EMPL Economic Dialogue on the Annual Sustainable Growth Strategy (MM)

The Joint Economic Dialogue with Executive Vice-President Dombrovskis, as well as Commissioners Gentiloni and Schmit will take place on Monday, 27 January, 16.00-17.30 hrs. It will be followed by a solely ECON session with Executive Vice-President Dombrovskis and Commissioner Gentiloni on the fiscal package of the European Semester, at 17.30-18.30

The structure of the dialogue would follow examples of previous years, e.g. floor to the EMPL and ECON Rapporteurs and a round of questions from the Members of the two respective Committees (a call for nominations will be launched to the political groups in the course of the week).

- **The EMPL Members had already been informed by e-mail about this additional meeting.**

2.6. Request from the Publications office in Luxembourg to present a pilot project (SR/MM)

Decision:

This item was postponed.

3. Changes in the budgetary procedure [EC]

Annexes:

- A letter from BUDG Chair to EMPL Chair
- A ppt presentation by BUDG Secretariat (13.12)

See also **point 5.12**

On 12 December BUDG Coordinators decided to change the budgetary procedure. Changes will apply for the DB 2021 procedure. The key changes for all opinion-giving Committees,

including EMPL, are as follows:

- There won't be **more "mandate for budgetary trilogue" anymore** (it could be possibly replaced by Working document by the rapporteur to analyse the Draft Budget) and thus **no opinion** thereof anymore⁴;
- Instead, Committees will be involved in the 1st phase of the budgetary procedure, namely the **EP Guidelines to the budget**;
- This means that **the work of opinion-giving Committees will start earlier**;
- Visits by the budget rapporteur to the specialised committees (which occurred in April/May) will likely be replaced by meeting(s) with the rapporteurs for opinion (probably in the format used for MFF, but still TBC);
- The BUDG Rapporteur will strictly enforce rules as regards admissibility of AMs to the **October resolution**.

For the DB 2021, the draft report on the EP Guidelines for the Budget will be ready (in EN) around 10 February 2020, and the adoption in BUDG is scheduled for 30 March. The timetable will thus be **tight for opinion-giving committees** (see point 5.12).

The changes in the procedure/timetable are summarised below:

2019 budgetary procedure (year 2018)	Event	Possible dates for 2021 budgetary procedure (year 2020)
Week 4: 24 January	Presentation of draft report on Parliament's guidelines (Section III) in BUDG committee	Week 8: 17-18 February
Week 8: 20 February	Adoption of Council conclusions on the 2019 budget guidelines	Week 8: 18 February
Week 10: 8 March	Adoption of EP Guidelines in BUDG committee	Week 17: 30 March
Week 11: March II Plenary	Adoption by the EP plenary of the resolution on the general guidelines for the 2019 budget (Section III)	Week 17: April Plenary
Week 13: 27 March	Trilogue ahead of the presentation of the Draft Budget (EP premises)	Week 18: 27 - 30 April (tbc)
Week 21: 23 May	Presentation of the Commission's Statement of estimates 2019 in BUDG Committee	June
Week 25: 18 June	Presentation of draft report on mandate for the trilogue in BUDG committee	Abolished / replaced by Rapporteur's Working document on DB

⁴ Until now, when time allowed, EMPL adopted opinion in June, or sent EMPL input in the form of a letter (like was the case in 2019 due to the elections)

Week 26: 28 June	Adoption of mandate report in BUDG committee	
Week 27: July Plenary	Adoption by EP plenary of mandate for the trilogue resolution	Abolished (plenary debate kept?)
Week 28: 11 July	Adoption of Council's position on DB in Coreper	July
Week 28: 12 July	Trilogue (Council's premises)	Week 29: 15-16 July

Decision:

The Coordinators

- **heard the S&D Coordinators who raised concerns about the diminishment of the role of opinion-giving committees**
- **instructed the Chair to raise this matter at the next CCC.**

[EC / Draft letter to the CCC to be finalised in a follow-up written procedure.]

4. The Presidency of the UN-CRPD framework [MM]

➤ **Suggested EMPL position on chairing of the Framework and organisational arrangements:**

A) Chairing by the EP

The EP should take over the chairing role of the Framework.

B) Level of representation by the EP in the Framework

EMPL, LIBE and PETI representatives could decide based on the agenda and their availability whether to attend a Framework meeting. Assistants might participate at the meeting. (However, the number of participants should not be too high, if possible.) At least one of the three committee secretariats should be always represented.

As a general rule, the EMPL CRPD representative (full or substitute) should chair the Framework meetings as the EMPL is the lead committee in the CRPD. Should the EMPL CRPD representatives not be present at a meeting, the LIBE and PETI representatives present at the meeting should decide in advance on a case by case basis who will chair the meeting. Should no Member be present at a meeting, the EMPL, LIBE or PETI Secretariat would stand in. Internal preparatory meetings should be organised before the Framework meetings as necessary.

C) Inputs / agendas to be sent by the EP to the Framework

Draft inputs / agendas should be circulated by the EMPL secretariat for comments to the EMPL, LIBE, PETI representatives and secretariats before sharing them with the Framework.

Decision:

The Coordinators

- **agreed with the above arrangements, emphasising that the Committee should be represented by Ms Langensiepen, or, in her absence, by Ms Al-Sahlani**
- **mandated the Chair to discuss the matter with the LIBE and PETI Chairs.**

1. European Semester

On 11 December 2019, the Conference of Presidents endorsed the drawing-up of an own-initiative report by the EMPL Committee entitled “European Semester for economic policy coordination: Employment and Social Aspects in the Annual Growth Survey 2020”.

Following the adoption of the European Green Deal, the Commission has changed the title of this year’s Annual Growth Survey to “Annual Sustainable Growth Strategy 2020” (COM(2019)650).

Accordingly, the EMPL Coordinators decided to request the change of the title of the

above-mentioned own-initiative report to “European Semester for economic policy coordination: Employment and Social Aspects in the Annual Sustainable Growth Strategy 2020”.

- 8. Expertise budget 2020 [PolDep A]**

Coordinators are invited to consider the use of the committee's expertise budget for 2020.

Budget:

The 2020 expertise budget for EMPL (and other committees) is based on effective expenditure at the end of 2019 (an election year with a reduced budget). This results in a significant cut in the EMPL budget, down to EUR 240 000 in 2020 (from EUR 410 000 in 2013 and 280 000 in 2018). It means that Podedep A can launch a maximum of three comprehensive studies this year or a proportionately larger number of smaller products.

Choice of subjects:

There have been some reservations expressed about the current procedure for deciding on expertise subjects.

Option A:

Current practice is to ask Coordinators for proposals in two rounds per year (January and July) in order to adapt to evolving political priorities, lengthy waiting lists of proposals having proved unworkable in the past. In recent years, the practice has been to ask the groups for one proposal each. The proposals are assessed by the policy department before a final decision is taken by the Coordinators.

Option B:

Another option, which has been used in the past, would be for the groups to list all their proposals. The policy department could then do a quick screening for recent publications on the respective subjects before using a written procedure to establish which proposals have the most support across the groups. The Coordinators would then decide on a defined number of proposals to be assessed in-depth by the policy department. Following the assessment, the Coordinators would take the final decision on the projects to be implemented.

Decision:

The Coordinators

- **took note of the reduced expertise budget allocation for 2020.**
- **decided to apply the procedure described in Option B for choosing expertise subjects best meets their needs.**
- **agreed to consider proposals received for the expertise budget for the first half of 2020 at their next meeting.**
