In reference to the organisation of the European Parliamentary week, taking place on 18-19 February 2020, the EMPL Committee has been asked to cancel the two half days on 19.2., as the Committee cannot convene in parallel of the EPW Plenary session. The EMPL slot on 20 February remains unchanged.

## 2. Points for information/follow-up of previous decisions

### 2.1. European Parliamentary week 2020 - dates and topics (LS)

The European Semester Conference (Article 13<sup>1</sup>) will take place on 18-19 February 2020 in Brussels. It will include three plenary sessions as well as **an interparliamentary committee meeting organised by EMPL in the afternoon of 18 February** (starting at 17:15 until 19:00 hrs in room JAN 6Q2).

Following the comments received by the groups, the conclusion for the EMPL ICM looks as follows :

- Vice-President Dubravka Šuica and Commissioner Nicolas Schmit will be invited to participate in the panel on the Child Guarantee
- Commissioner Nicolas Schmit will be invited to participate in the panel on the European Minimum Wage
- Given the limited time (around 50 minutes per topic), only one keynote speaker from a national parliament per panel
- The panel on the Child Guarantee will be renamed as follows : A European Child Guarantee as a tool to fight poverty

**Coordinators were informed in an Annex of the latest draft agenda of the EPW 2020, as well as of the draft agenda of the EMPL ICM.**

**The Coordinators were informed that Commissioner Schmit had suggested an alternative wording for the exchange of views on the minimum wage. A possible new wording would be agreed in a written procedure.**

### 2.2. EMPL delegations in 2020 - update

#### **2.2.1. EMPL delegation to Slovakia - new dates and call for nominations (MP/MiP)**

After consultation of EMPL Coordinators in written procedure (email 10.1.2020) and approval by the Bureau at its meeting of Monday 13.1.2020, the delegation is postponed to week 15, 6-10 April.

<sup>1</sup> of the Treaty on Stability, Coordination and Governance in the Economic and Monetary Union (TSCG):  
“ARTICLE 13

Note that the D'Hondt table has in the meantime been updated (see item 2.2.2 on the delegation to Berlin for the updated table), however, unless the Coordinators object, it is proposed not to revise the slots attributed.

### **Decision:**

#### **The Coordinators**

- **approved the arrangements as proposed above, noting that**
  - **the allocation of seats reflected the composition of the EMPL Committee as of 1 February 2020**
  - **the dates would be fine-tuned so as to minimise overlaps with the delegation to Berlin [Chair's guidance after the meeting: delegation to SK 6-8 April, delegation to Berlin 7-9 April]**
- **agreed to send to the EMPL Secretariat their updated nominations for participants by 29 January COB.**

#### **2.2.2. EMPL Delegation to Berlin (Germany), 6-8 April 2020 (RS/SR)**

The Bureau, by decision of 16 December 2019, authorised the EMPL delegation to Berlin (Germany) as follows: "...*EMPL mission to Berlin, Germany, up to seven Members plus the EMPL Chair, during week 15 (from 7 to 9 April 2020, three days, including travel time), focused on ongoing EMPL files, such as the revision of EU-Regulation 2004/883 on Social Security Coordination, Public Employment Services, the UN Convention for the Rights of people with disabilities, active ageing, the social economy and the German dual education system, a visit of a European Social Fund co-financed project is also foreseen, whereas the priorities of the German presidency in the EMPL field would not be discussed as this would be done during EMPL Committee meetings;*"

Note that the dates 6-8 April (instead of 7-9 April) seem to be more favourable as regards

availability of persons to meet, due to the Easter holidays, starting with 9 April (Maundy Thursday).

According to the **rolling d'Hondt table** on “EMPL delegations in 2020” (see below for information), the order of places regarding the Berlin delegation are follows - taking into account the already consumed places regarding the delegation to Slovakia (places 1-7. ):

- **took note of the following arrangements:**

#### **2.3.1. Old continent growing older - possibilities and challenges related to ageing policy post 2020 (EMPL/9/01676) (MM)**

The EMPL and ECON Chairs agreed as follows:

- The scope of the report will not include the aspects of the Pillar 2 and 3 pensions within ECON competences (regulation, supervision), and parts of the draft report and amendments tabled on those aspects will be declared inadmissible. However, the scope of the report will include aspects of the Pillar 2 and 3 pensions within the EMPL competences, related e.g. to workers’ rights, freedom of movement, discrimination at the workplace and social protection.
- The ECON Committee will deliver a Rule 56 opinion.

#### **2.3.2. Quality traineeships in the EU**

#### **2.3.5. "Report on the implementation of National Roma Integration Strategies: Combating negative attitudes towards people with Romani background in Europe" pursuant to Rule 54, where the EMPL Committee had requested to be associated under**

## **2.4 Update on Brexit [EC]**

### **Decision:**

**The Coordinators took note of the following and noted that further details on new developments would be circulated by email.**

Annexes:

- EMPL letter to AFCO as regards the withdrawal agreement (added once adopted on 22.01.)
- letter from EMPL Chair to President Sassoli
- letter from CCC Chair to President Sassoli
- letter from AFET and INTA Chair to CCC Chair

### **Update on the Withdrawal agreement**

Besides EMPL, 9 Committees (IMCO, AGRI, ENVI, LIBE, JURI, TRAN, PETI, INTA, AFET) delivered an opinion to AFCO. While expressing a certain number of concerns, all recommend that the European Parliament gives its consent to the Withdrawal agreement.

Next steps:

- In the EP: AFCO vote: 23 January pm  
Plenary vote: 29 January
- In UK 22 January: the bill may pass to the Commons for consideration of any Lords amendments  
Once the Commons and Lords agree on the final version of the Bill, it can receive Royal Assent and become an Act of Parliament (the proposals of the Bill now become law).

### **Update on the future negotiations of a relationship agreement between the Union and the UK**

- The TF50 will become TFUK, under the authority of Michel Barnier.
- The European Council will adopt its negotiating mandate in February 2020 - the European Parliament will give its input and express its views.
- Committees have considered at the last CCC meeting that the future agreement with the UK should be dealt with by the parliamentary committees in conformity with the procedure foreseen by the EP Rules of procedure (notably Rules 114 and 105) and in accordance with the committee's competences established by Annex VI.
- As a result, AFET and INTA, the committees in charge of relations with third countries, will lead the process within the EP, while other Committees (including EMPL) will deliver formal opinions to them.
- The Conference of Presidents has still to decide whether a structure similar to the Brexit Steering Group will accompany this new phase.
- If this is the case, this structure would be a forum of discussion and coordination with

a view to facilitate the emergence of a united EP position on the future agreement with the UK (on the model of the MFF Contact Group or of the TTIP Coordination Group).

- The Chair has informed the President, in a letter dated 19 December 2019, that:
  - the EMPL Committee intends to fully exercise its prerogative and follow closely the labour and social aspects of the upcoming negotiations from their very start.
  - Should the conference of President decide to establish a horizontal structure to follow these negotiations, the EMPL Committee requests that the EMPL Chair be granted full membership thereof.

## **2.5 ECON-EMPL Economic Dialogue on the Annual Sustainable Growth Strategy (MM)**

The Joint Economic Dialogue with Executive Vice-President Dombrovskis, as well as Commissioners Gentiloni and Schmit will take place on Monday, 27 January, 16.00-17.30 hrs. It will be followed by a solely ECON session with Executive Vice-President Dombrovskis and Commissioner Gentiloni on the fiscal package of the European Semester, at 17.30-18.30

The structure of the dialogue would follow examples of previous years, e.g. floor to the EMPL and ECON Rapporteurs and a round of questions from the Members of the two respective Committees (a call for nominations will be launched to the political groups in the course of the week).

- **The EMPL Members had already been informed by e-mail about this additional meeting.**

## **2.6. Request from the Publications office in Luxembourg to present a pilot project (SR/MM)**

### **Decision:**

**This item was postponed.**

## **3. Changes in the budgetary procedure [EC]**

Annexes:

- A letter from BUDG Chair to EMPL Chair
- A ppt presentation by BUDG Secretariat (13.12)

See also **point 5.12**

On 12 December BUDG Coordinators decided to change the budgetary procedure. Changes will apply for the DB 2021 procedure. The key changes for all opinion-giving Committees, including EMPL, are as follows:

- There won't be **more "mandate for budgetary trilogue" anymore** (it could be possibly replaced by Working document by the rapporteur to analyse the Draft Budget) and thus **no opinion** thereof anymore<sup>3</sup>;
- Instead, Committees will be involved in the 1<sup>st</sup> phase of the budgetary procedure, namely the **EP Guidelines to the budget**;
- This means that **the work of opinion-giving Committees will start earlier**;
- Visits by the budget rapporteur to the specialised committees (which occurred in April/May) will likely be replaced by meeting(s) with the rapporteurs for opinion (probably in the format used for MFF, but still TBC);
- The BUDG Rapporteur will strictly enforce rules as regards admissibility of AMs to the **October resolution**.

For the DB 2021, the draft report on the EP Guidelines for the Budget will be ready (in EN) around 10 February 2020, and the adoption in BUDG is scheduled for 30 March. The timetable will thus be **tight for opinion-giving committees** (see point 5.12).

The changes in the procedure/timetable are summarised below:

2019 budgetary procedure (year 2018)	Event	Possible dates for 2021 budgetary procedure (year 2020)
Week 4: 24 January	Presentation of draft report on Parliament's guidelines (Section III) in BUDG committee	Week 8: 17-18 February
Week 8: 20 February	Adoption of Council conclusions on the 2019 budget guidelines	Week 8: 18 February
<b>Week 10: 8 March</b>	<b>Adoption of EP Guidelines in BUDG committee</b>	<b>Week 17: 30 March</b>
Week 11: March II Plenary	Adoption by the EP plenary of the resolution on the general guidelines for the 2019 budget (Section III)	Week 17: April Plenary
Week 13: 27 March	Trilogue ahead of the presentation of the Draft Budget (EP premises)	Week 18: 27 - 30 April (tbc)
Week 21: 23 May	Presentation of the Commission's Statement of estimates 2019 in BUDG Committee	June
Week 25: 18 June	Presentation of draft report on mandate for the trilogue in BUDG committee	<b>Abolished / replaced by Rapporteur's Working document on DB</b>
Week 26: 28 June	Adoption of mandate report in BUDG committee	

<sup>3</sup> Until now, when time allowed, EMPL adopted opinion in June, or sent EMPL input in the form of a letter (like was the case in 2019 due to the elections)

Week 27: July Plenary	Adoption by EP plenary of mandate for the trilogue resolution	Abolished (plenary debate kept?)
Week 28: 11 July	Adoption of Council's position on DB in Coreper	July
Week 28: 12 July	Trilogue (Council's premises)	Week 29: 15-16 July

**Decision:**

**The Coordinators**

- **heard the S&D Coordinators who raised concerns about the diminishment of the role of opinion-giving committees**
- **instructed the Chair to raise this matter at the next CCC.**

*[EC / Draft letter to the CCC to be finalised in a follow-up written procedure.]*

## 4. The Presidency of the UN-CRPD framework [MM]

➤ **Suggested EMPL position on chairing of the Framework and organisational arrangements:**

**A) Chairing by the EP**

The EP should take over the chairing role of the Framework.

**B) Level of representation by the EP in the Framework**

EMPL, LIBE and PETI representatives could decide based on the agenda and their availability whether to attend a Framework meeting. Assistants might participate at the meeting. (However, the number of participants should not be too high, if possible.) At least one of the three committee secretariats should be always represented.

As a general rule, the EMPL CRPD representative (full or substitute) should chair the Framework meetings as the EMPL is the lead committee in the CRPD. Should the EMPL CRPD representatives not be present at a meeting, the LIBE and PETI representatives present at the meeting should decide in advance on a case by case basis who will chair the meeting. Should no Member be present at a meeting, the EMPL, LIBE or PETI Secretariat would stand in. Internal preparatory meetings should be organised before the Framework meetings as necessary.

**C) Inputs / agendas to be sent by the EP to the Framework**

Draft inputs / agendas should be circulated by the EMPL secretariat for comments to the EMPL, LIBE, PETI representatives and secretariats before sharing them with the Framework.

**Decision:**

**The Coordinators**

- **agreed with the above arrangements, emphasising that the Committee should be represented by Ms Langensiepen, or, in her absence, by Ms Al-Sahlani**
- **mandated the Chair to discuss the matter with the LIBE and PETI Chairs.**

**Budget:**

The 2020 expertise budget for EMPL (and other committees) is based on effective expenditure at the end of 2019 (an election year with a reduced budget). This results in a

significant cut in the EMPL budget, down to EUR 240 000 in 2020 (from EUR 410 000 in 2013 and 280 000 in 2018). It means that PODEP A can launch a maximum of three comprehensive studies this year or a proportionately larger number of smaller products.

#### **Choice of subjects:**

There have been some reservations expressed about the current procedure for deciding on expertise subjects.

#### **Option A:**

Current practice is to ask Coordinators for proposals in two rounds per year (January and July) in order to adapt to evolving political priorities, lengthy waiting lists of proposals having proved unworkable in the past. In recent years, the practice has been to ask the groups for one proposal each. The proposals are assessed by the policy department before a final decision is taken by the Coordinators.

#### **Option B:**

Another option, which has been used in the past, would be for the groups to list all their proposals. The policy department could then do a quick screening for recent publications on the respective subjects before using a written procedure to establish which proposals have the most support across the groups. The Coordinators would then decide on a defined number of proposals to be assessed in-depth by the policy department. Following the assessment, the Coordinators would take the final decision on the projects to be implemented.

#### **Decision:**

##### **The Coordinators**

- **took note of the reduced expertise budget allocation for 2020.**
- **decided to apply the procedure described in Option B for choosing expertise subjects best meets their needs.**
- **agreed to consider proposals received for the expertise budget for the first half of 2020 at their next meeting.**

*"4. The designation of a shadow rapporteur is a prerogative of political groups. For this reason, non-attached Members shall neither be entitled to attend shadow rapporteur meetings, nor benefit from any of the entitlements linked to the status of shadow rapporteur."*

On 2 October 2019, the EMPL Coordinators took the following decision:

*The Coordinators took a decision of principle that the non-attached Members in the EMPL Committee should not be allowed to send a staff level observer (i.e. a person working for the secretariat of the non-attached Members) to shadows' meetings.*

The EMPL Secretariat discontinued circulation of draft compromise amendment to the secretariat of the non attached Members. They get the final compromises.

There were 5 non-attached Members in the EMPL Committee until Brexit. The current non-attached Member is Ms Rondinelli (Five Star Movement) and her substitute is Ms Gemma (Five Star Movement).

Main issues raised in petitions are matters of accessibility to transport and the built environment and access to education.

#### 5.1. Commission proposal for a Council decision authorising Member States to ratify, in

**the interest of the European Union, the Violence and Harassment Convention, 2019 (No 190) of the International Labour Organization, COM(2020)0024 (RS/SR)**  
Resp.: EMPL **Opinion: LIBE (tbc), FEMM (tbc)**

**Decision:**

**Rapporteur to be nominated by the Greens/EFA Group.**

**Implementation Reports**

*At their meeting of 23 January, EMPL Coordinators postponed their decisions on implementation reports and asked for a fresh assessment of feasibility by the EPRS services.*

**5.2. Mid-term evaluation of the EaSi Programme (EMPL/9/01683) (EC)**

**Decision:**

**While agreeing on the importance of the subject, the coordinators withdrew the report in the light of the feasibility assessment by EPRS, and instructed the Chair to inform the CCC thereof by letter.**

**5.2a EPRS update on implementation reports**

**The Coordinators took note of the following assessment by the EPRS:**

**1. On EaSI (see 5.2 above)<sup>9</sup>**

Our original October assessment was that there was no need to draw up an implementation report on the EaSI mid-term evaluation, due to the fact that 2019 COM evaluation covers exactly the same topic. Nonetheless, the Coordinators decided to go ahead with the implementation report and the request for an implementation report on EaSI was approved in CCC in late November 2019. According to the updated assessment no need for the implementation report / nor for EPRS research in the implementation of EaSI since it already exists in the form of COM evaluation from 2019.

**2. On the situation of the Youth (see 5.3. below)<sup>10</sup>**

Our original October assessment was to wait for the COM evaluation earlier foreseen for Q4 2019. COM evaluation is late though and is now expected in or around May 2020. The request for an implementation report on Youth was sent to CCC recently. The decision is pending though, as the CULT committee has asked for the clarification of the scope in the CCC of 11 Feb (earlier this week). Thus, we could expect for it to be approved during the

<sup>10</sup> Anna ZYGIEREWICZ

March CCC. Our updated assessment is included in the attachment and it offers several possibilities for the EMPL – one to **wait for the COM evaluation in May 2020** (and possibly for the announced non-legislative proposal on the Youth Guarantee, scheduled for Q2) and proceed thereafter.

### **3. On the job creation potential of the EFSI<sup>11</sup>**

Our original assessment in October was to postpone since, at this stage, it is methodologically challenging to analyse job creation effects of EFSI, primarily in view of long-term nature of EFSI investment projects.

No request for implementation report was sent so far.

Our updated assessment is included in the attachment – in a nutshell, nothing has changed, and we would advise **delaying this implementation report** for now.

### **4. On Employment / UNCRPD<sup>12</sup>**

The original assessment in October was to postpone until mid-2020.

No request for implementation report was sent so far.

Our updated assessment is included in the attachment and it offers several possibilities. Our advice is to reschedule the implementation report to Q1 2021 (by then, both the COM evaluation of the European Disability Strategy and the report on application of the Employment Equality Directive will have been finalised; July 2020 and beginning 2021 respectively).

### **Decision on 5.2a(4)**

**The Coordinators heard the EPRS, held an exchange of views and decided to proceed with the implementation report<sup>13</sup> according to a timetable proposed by Ms Langensiepen and instructed the Chair to request authorisation of that report ahead of the March 2020 CCC (MM/JB). Rapporteur to be appointed following authorisation.**

### **5.3. Situation of the youth: employment and EU programme's efficiency (TV)**

#### **Decision:**

**The Coordinators decided that the (requested) implementation report be put on hold and instruct the Chair to inform the CCC thereof by letter; in that fashion, the objections from CULT would become void.**

#### **Opinions**

### **5.4. A statute for European cross-border associations and non-profit organisations lead Committee JURI, 2020/2026(INL) - legislative INI - (BM)**

#### **Decision:**

**Rapporteur to be nominated by the ID Group.**

#### **Decision:**

**Rapporteur to be nominated by the ECR Group.**

### **5.6. •Delivering the Sustainable Europe Investment Plan - (MaP) Lead Committee ECON**

#### **Decision:**

**Postponed to the next meeting.**

**5.7. Report on the application of the 2014 Enforcement of Posting of Workers Directive (RS)**, proposed by GUE/NGL:

“REPORT FROM THE COMMISSION TO THE EUROPEAN PARLIAMENT, THE COUNCIL AND THE EUROPEAN ECONOMIC AND SOCIAL COMMITTEE on the application and implementation of Directive 2014/67/EU of the European Parliament and of the Council of 15 May 2014 on the enforcement of Directive 96/71/EC concerning the posting of workers in the framework of the provision of services and amending Regulation (EU) 1024/2012 on administrative co-operation through the Internal Market Information System ('the IMI Regulation'), COM(2019) 426 final, {SWD(2019) 337 final}

**Decision**

**The Coordinators agree to this request and decided to invite the Commission services to present the Commission report COM(2019)426 at the highest possible level (letter to the Director-General).**

## 6. Planning of possible delegation visits in the second part of 2020

**Suggestions to be sent to the CCC secretariat by 18 March 2020** in order to adopt the draft programmes during the CCC meeting of 31 March 2020. The Conference of Presidents and the Bureau would then consider the programmes at their meetings in May 2020.

**Only** the following weeks are eligible for sending delegations (*'turquoise weeks'*) in the second part of 2020, **only two of which appear to be practicable:**

- 20-24 July 2020
- 24-28 August 2020
- 21-25 September 2020
- 2-6 November
- 21-23 December

In keeping with an established practice, EMPL could dispatch delegations to

- the country of the subsequent **presidency** (Portugal-first half of 2021, e.g. three days in the week from 2 to 6 November 2020, up to 10 Members plus the Chair)
- **another** country in the European Union OR to a third country
- an **Agency** viz. Eurofound (Dublin, e.g. two days in the week of 21-25 September, three Members)
  - (The European Training Foundation (Turin) and Cedefop (Thessaloniki) were last visited in 2018., EU-OSHA (Bilbao) will be visited during the first half of 2020)

### **Decision:**

**The Coordinators decided to take a decision in a follow-up written procedure, with the ranking to be carried out by means of an Excel table.**

**The Coordinators took note of the proposal of the EPP Group to send a delegation to the Social summit which will be held in Portugal in 2021.**

*Note: The deadline for the letter requesting the authorisation is 18 March*

## 7. Planning of public hearings for the second half of 2020

The suggestions received for public hearings during the first half of 2020 could be found among the annexes.

### Hearings authorised during the first half of 2020:

#### **The future of labour and the transition to a digital labour market**

**The employment potential of a Green New Deal and the need for a just transition**  
Furthermore, the Coordinators agreed on 17 October that a stakeholders' exchange of views should on "New forms of employment - online platform workers" should be organised in the context of the own-initiative report "Fair working conditions, rights and social protection for platform workers".

### Decision:

#### **The Coordinators**

- agreed to hold no more than 3 hearings in the second half of 2020
- noted that the list of hearings continues as follows (starting as of No 4)

#### *4. Hearing on psychological risks at work*

*5. Situation of the youth: employment and EU programmes' efficiency. Working skills and working habits [Note: own-initiative report to be **withdrawn**, see item 5.3. above]*

#### *6. The scope and legal situation of posting of workers from third countries to EU*

#### *7. A European unemployment re-insurance scheme*

- decided to finalise their decision in a follow-up written procedure (ranking by means of an Excel table)

*Note: The deadline for the letter requesting the authorisation is 18 March*

## 8. Committee programming activities for the 2nd semester 2020 - activities with national parliaments

### Decision:

Bearing in mind that the annual EMPL meeting with the national parliaments took place on 18 February 20120, in the context of the European Parliamentary week, the Coordinators decided that no further event involving the national parliaments be planned until the end of the year.

## 9. Expertise budget 2020 [PolDep A]

Annex: Note from PolDep A

### Decision:

#### Coordinators

- noted the following ranking (resulting from the political support from the groups) of 7 projects and noted that this would consume the entire budget and leave no room to react to new developments:
  1. Effect of a European minimum wage norm on employment [*title was adjusted as follows: Employment effects of minimum wages - a contribution to the EU policy discussion.*] - workshop
  2. Effective incentives for mothers with small children to re-integrate in the labour market after maternity leave - study
  3. Policies to ensure access to affordable housing - in-depth analysis
  4. Endocrine disruptors - an occupational health risk - workshop
  5. Social impact investment: Best practices and recommendations on the next generation - in-depth analysis
  6. *The employment potential of the Green Deal - study*
  7. *Ageing policies - Access to services in different MS - workshop*
- decided to request only the first 5 projects, noting that this leave some room to react to new developments in a second round to be launched in July
- agreed that items 6 and 7 would be top-of the list at the next exercise
- noted that requests for Brexit-related analysis may be submitted to the Policy Department in writing. Procedure to be suggested by the PolDep.

## **10. Re-establishment of the Financial Assistance Working Group (FAWG) [MM/LS]**

At its meeting on 6 February 2020, the Conference of Presidents endorsed the request from the Committee on Economic and Monetary Affairs (ECON) to re-establish a **Financial Assistance Working Group (FAWG) consisting of 22 Members, including one Member from each of the following committees: the Committee on Employment and Social Affairs (EMPL); the Committee on Regional Development (REGI); the Committee on Budgets (BUDG); and the Committee on Budgetary Control (CONT)**, all to be chosen by the political groups on the understanding that the final composition of the Working Group reflect Parliament's composition, in accordance with the d'Hondt method, and that its work be carried out within the framework of the resources and facilities placed at the disposal of the parliamentary committees involved.

The Conference of Presidents noted that the FAWG would be established with a mandate to **monitor post-programme surveillance of financial assistance programmes and any possible future financial assistance programmes for specific countries and to discuss proposals for improved accountability for the design and implementation of future adjustment programmes within a new framework of the revised Treaty establishing the European Stability Mechanism, based on the lessons learnt in previous parliamentary terms.**

### **Decision:**

Take note - nominations to be made by the political groups (at central level).

## **11. EMPL resolution for the introduction of a European Social Security number - suggestion by the S&D group [RS/JB]**

The papers for the meeting include a draft motion for a resolution drawn up by the S&D Group.

### **Decision:**

#### **The Coordinators**

- **held an exchange of views**
- **invited the RE Group to submit their proposal in writing with a view to taking a final decision at the next meeting.**

*Note: RE suggestion, preliminary wording: "The Social Security Number and the opportunity for the digitalisation of social security systems"*
