in the committee.¹

1.3. Information of Members, rapporteurs and coordinators

(Take note, already sent to EMPL Members on 25.3. by e-mail)

Decision:

The Chair and the secretariat were instructed to:

- **Inform all EMPL Members that**
 - **Parliament's calendar had been modified significantly and that in particular the next four sessions would be limited to one day, thus creating a bottle-neck for all non essential business**
 - **no EMPL meeting is currently planned in the foreseeable future**
 - **the items which would have been put on the agenda of the meeting initially scheduled for 26 March had been postponed**
 - **EMPL meetings would, in view of the epidemic and sanitary situation, be restricted to important votes which cannot be postponed, and on condition that no-one is exposed to unacceptable risks**
 - **such EMPL meetings would be held by means of the new "*Interactio*" remote meeting tool, where all Members may participate remotely by means of an application uploaded on an iPad or similar tool.**

- **Inform all rapporteurs and shadow rapporteurs of**
 - **the current planning regarding their files (legislative reports; non-legislative report; legislative opinions; non-legislative opinions; other)**
 - **all options regarding the holding virtual remote meetings**

- **Organise, where feasible, written procedures for decisions to be taken by the Coordinators while ensuring that all EMPL members are informed of the outcome.**

2. Remote voting in the EMPL Committee

(Decision taken in a written procedure)

Option A

It could theoretically be imagined that the groups agree to *proportionally* not send Members ("**pairing agreement**"), so that the overall political balance is roughly reflected, e.g. the smallest group sends only one Member, and the other groups proportionally less Members. However, even if +/- 15 MEPs were physically present in Brussels, this would not accurately reflect the political balance

EPP (15) > 4
S&D (12) > 3
RE (8) > 2
ID (6) > 1-2
Greens/EFA (4) > 1
ECR (5) > 1
GUE/NGL (4) > 1
NI (1) > 1

Option B

It could therefore be imagined that the alternative electronic voting system of the session is applied *mutatis mutandis* to committee votes. However, this is only feasible where the votes are very simple. Indeed ordinary voting lists foresee that were an amendment is carried, a series of other amendments fall. The Bureau rules do not foresee a viable mechanism in respect of fallen amendments - Members would be required to indicate their votes on every single amendment, even on those which will eventually turn out to have fallen.

Option C

A vote with the remote polling tool might be carried out like this: (a) Votes of those present: taken by the normal voting equipment plus (b) votes of those participating remotely through the application. The score of (a) + (b) would have to be calculated on a sheet of paper by the secretariat. Furthermore, the secretariat would have to invigilate that no group is over-represented, which might be a challenging task.

Decision:

Option A - supported by GUE/NGL

The Coordinators could take note of the above information and postpone the decision.

Option B-- supported by EPP (supporting sub-option a)², S&D³, RE, ID⁴, ECR⁵, Greens/EFA⁶

The Coordinators could take note that, where absolutely necessary and in agreement with the Chair and the rapporteur concerned, a vote could be held, following a specific approval by the Coordinators, either by means of applying

- a 'pairing agreement' (proportional reduction of number of physically present MEPs, Option A), or
- the new Bureau rules by analogy (voting by email, *outside* a committee meeting Option B) or
- the remote polling feature of the remote meeting tool *during* a committee meeting (Option C).

The Coordinators could agree to take specific decisions (possibly in a written procedure) on the options to be applied individually to each file at a later stage, as and when the need for a vote arises.

Option B has been accepted

² EPP is in agreement that when the votes, as proposed by the Secretariat, are absolutely necessary and in agreement with the Chair, with the rapporteur concerned and following specific approval by the Coordinators, should be done by means of tools, which do not require physical presence. However if a physical presence is requested for some reason EPP would give preference to a "pairing agreement" (Sub option A within Option B)"

³ **Remark by the S&D Group** - during the period of the coronavirus crisis and the lockdown, work on all non-strategic files should be postponed. Given the global situation, we think it is totally irresponsible to even consider the option of a physical meeting. There are enough options for video conferences.

⁴ **The ID Group would like to underline that:**

- until July included no committee meetings, nor Coordinators' meetings, should be organized unless necessary and urgent. 'Necessary and urgent' means linked to COVID-19 pandemic and nothing else;
- shadows' meetings concerning ongoing dossiers can continue to be held (through video-conference), with priority given to legislative files;
- no meetings nor votes can take place in any case if they require physical presence in the room;

⁵ **On behalf of the ECR** I would like to support the approach proposed by Secretariat that votes could be held only where absolutely necessary and in agreement with the Chair, the rapporteur concerned and also with approval by the Coordinators. We should proceed with urgent votes only in writing or remotely once it's technically possible. We should avoid face-to-face meetings for as long as necessary.

⁶ **Greens/EFA** would like to point out that any actual meetings in the EP involve not only that Members, but also staff will have to be present. Any presence at the workplace increases the health risk for the concerned person and for infecting others. Therefore any unnecessary meetings in situ should be avoided by all means to preserve health and safety of all. In terms of options on how to vote, GreensEFA would therefore support Option B. We would however, also invite to a pragmatic approach. Where from the political support expressed to compromises it is clearly visible that a compromise has a stable majority, VLS sent by MEPs should be considered valid also in cases where AMs below a compromise are not filled int.

3. Circulation of draft compromised to the NI secretariat

Regulatory framework:

Rule 215 : Shadow Rapporteurs

The political groups may designate a shadow rapporteur for each report to follow the progress of the relevant report and find compromises within the committee on behalf of the group. Their names shall be communicated to the committee Chair.

Shadow rapporteur meetings and access to information on trilogues

"4. The designation of a shadow rapporteur is a prerogative of political groups. For this reason, non-attached Members shall neither be entitled to attend shadow rapporteur meetings, nor benefit from any of the entitlements linked to the status of shadow rapporteur."

On 2 October 2019, the EMPL Coordinators took the following decision:

The Coordinators took a decision of principle that the non-attached Members in the EMPL Committee should not be allowed to send a staff level observer (i.e. a person working for the secretariat of the non-attached Members) to shadows' meetings.

The EMPL Secretariat discontinued circulation of draft compromise amendment to the secretariat of the non attached Members. They get the final compromises.

There were 5 non-attached Members in the EMPL Committee until Brexit. The current non-attached Member is Ms Rondinelli (Five Star Movement) and her substitute is Ms Gemma (Five Star Movement).

4. Points for information/follow-up of previous decisions

4.1. Update on ongoing negotiations on the future EU-UK relationship (EC)

(Will be followed up by means of emails)

Please note that the Chair, who is the EMPL standing rapporteur on EU-UK relationships, is considering various options as to the timetable, which is also impacted by the Coronavirus and the arrangements which will be made by the lead committee and the EU-UK steering group.

On 25 March 2020, the Chair received the following information:

*Dear Chairs,
Dear Rapporteurs,*

*On behalf of AFET and INTA Chairs, Mr McAllister and Mr Lange, and Rapporteurs, Ms Piri and Mr Hansen, we would like to send you the following communication regarding the **AFET-INTA joint report on negotiations with the UK (2020/2023 INI)**.*

As you know, the original timetable for this report, communicated to you by CCC Chair Mr Tajani, planned the adoption of the report during mini-plenary on 3 June. On 19 March the Conference of Presidents adopted a modified calendar of Parliament's activities. Under the current situation of Covid-19 there is a lot of uncertainty as to the further schedule for the EU-UK negotiations from the Commission UK Task Force and the UK side, as to the organisation of June High Level conference and also as to any possible extension of the transition period for the UK.

*Therefore we would like to call on you to continue, for the time being, the work on your opinions in the same way that we as lead committees are continuing our work on the draft report. **As soon as we receive any updated information from the Commission on the negotiations schedule or other elements that would allow us to determine a new calendar for this report we will inform you accordingly.***

*Kind regards,
AFET-INTA secretariat*

All groups will be updated in writing as and when we have more clarity on this.

4.2. EMPL delegations in 2020 - update

(Take note - all postponed or likely to be postponed)

4.2.1. EMPL delegation to Slovakia (MP/MiP)

Decision:

- **The Coordinators took note that this delegation has been postponed in view of**

the current circumstances linked to the COVID-19 outbreak.

4.2.2. EMPL Delegation to Berlin (Germany), 7-9 April 2020, with interpretation EN/DE (RS/SR)

4.2.3. EMPL Delegation to EU-OSHA (Bilbao) - 18-20 May 2020 (JB/EC)

On 2nd October 2019, the EMPL Coordinators took the decision to send a delegation to EU-OSHA (Bilbao) composed of **3 Members, out of quota, from 18 to 20 May 2020.**

On 16 December 2019, the Bureau approved this EMPL mission.

The composition according to the d'Hondt system will be as follows:

Members	Adam KOSA	EPP
	Manuel PIZARRO	S&D
	Sylvie BRUNET	RE
Interpreters (EN/DE)	tbc	
Secretariat	Judith BÜRGER	AD
	Elodie CARMONA	AD

Decision:

- The Coordinators took note of the above information and that this delegation could be impacted in view of the current circumstances linked to the COVID-19 outbreak.
 - On 23 March 2020, Spain was the second most affected MS, with over 33,000 confirmed Covid-19 cases, and over 2,100 death.⁷

4.2.4. Ad hoc delegation to the 13th session of the Conference of States Parties to the CRPD, New York, 10-12 June 2020 (MM/JB)

⁷ <https://www.ecdc.europa.eu/en/cases-2019-ncov-eueea>

Authorisation for the ad hoc EMPL delegation composed of 7 Members including the Chair has been requested. On 5 March, the Conference of Presidents authorised the request, on an exceptional basis, on the understanding that a limited interpretation regime into one language only applied, and invited the President to request from the Commission and the Council the inclusion of up to seven Members in the European Union's delegation to the above-mentioned conference.

Update:

In line with the **rolling d'Hondt table** on "EMPL ad hoc delegations the composition of this delegation would be as follows:

Chair: Lucia ĎURIŠ NICHOLSONOVÁ

6	ID	Elenea Lizzi
7	PPE	Ádám Kósa
8	ECR	Elżbieta Rafalska
9	S&D	Marc Angel
10	Renew	Radka Maxova
11	GUE	

Decision:

- **The Coordinators took note that this delegation could be impacted by the current COVID-19 outbreak.**
 - **On 24 March 2020, New York City had about a third of the nation's confirmed coronavirus cases, making it the new epicenter of the outbreak in the United States.⁸**

4.3. Cooperation pursuant to Rules 56+/57/58 - state of play

(Will be followed up by information emails to all the groups, coordinators, rapporteurs & shadows)

4.3.1. Strong social Europe for Just Transition (MiP)

Challenged by ECON and CULT (CCC of 11.2.2020) - negotiations ongoing.

On 20 February, the Coordinators decided at the request of the S&D Coordinator to rebut the arguments advanced by ECON. As a result of the exchanged letters, ECON Committee has dropped their request for Rule 57, whereas EMPL and CULT Committees agreed on collaboration under Rule 57.

Note: The letter to the CCC on that matter was finalised in a follow-up written procedure.

⁸ <https://www.nytimes.com/2020/03/22/nyregion/Coronavirus-new-York-epicenter.html>

The deadline for finding a possible agreement was extended until 15 April 2020. If no agreement is found, the CCC Chair will issue a recommendation.

4.3.2. Report on the protection of EU citizens under the UN Convention on the Rights of Persons with Disabilities (UN CRPD), as evidenced through petitions (MM)

(pursuant to Rule 54 and the CoP decision of 12.12.2002 as amended - not subject to the quota) lead: Committee on Petitions

In their request for this implementation report, PETI Committee referred to their specific role of protection through the right to petition in the EU CRPD Framework. During the last mandate, the PETI Committee received around 150 petitions on problems faced by persons with disabilities in the European Union when making their rights heard under the UN CRPD. Main issues raised in petitions are matters of accessibility to transport and the built environment and access to education.

The EMPL Chair requested to temporarily withhold authorisation so that the concerned committees can agree on cooperation arrangements and clarify the scope. The PETI Committee maintains its request. The LIBE Chair requested not to endorse this PETI implementation report and expressed his intention to consider with PETI and EMPL whether a joint procedure under Rule 58 could be carried out.

On 20 February, the Coordinators objected to the PETI request and instructed the Chair to write to the CCC Chair accordingly.

Note: The letter to the CCC on that matter was finalised in a follow-up written procedure (letter sent on 11 March 2020).

Update: Both the EMPL and the LIBE Committees objected to the PETI report. The EMPL and LIBE letter to the CCC Chair can be found among the annexes.

4.3.3. Just Transition Fund (2020/0006(COD)) (MiP)

At the request of Greens/EFA rapporteur Mr Satouri, EMPL requested Rule 57 in relation to certain parts of this REGI file.⁹

Decision:

The Coordinators took note of the fact that both committees agreed to apply Rule 57 with shared EMPL powers over the entire proposal.

(Postpone. The final decision could be taken in a written procedure once the CCC has decided on the new deadline to submit the proposals for the second half.)

Suggestions to be sent to the CCC secretariat by 18 March 2020 (deadline postponed by Coordleg, new date tbc) in order to adopt the draft programmes during the CCC meeting of 31 March 2020. Only the following weeks are eligible for sending delegations (*'turquoise weeks'*) in the second part of 2020, *only two of which appear to be practicable*:

- 20-24 July 2020
- 24-28 August 2020
- 21-25 September 2020
- 2-6 November
- 21-23 December

In keeping with an established practice, EMPL could dispatch delegations to

- the country of the subsequent *presidency* (Portugal-first half of 2021, e.g. three days in the week from 2 to 6 November 2020, up to 10 Members plus the Chair)
- *another* country in the European Union OR to a third country

14. Points for information/follow-up of previous decisions

2.1. Update on ongoing negotiations on the future EU-UK relationship (EC)

On 15 April, Michel Barnier, the European Commission's Chief Negotiator, and David Frost, the UK's Chief Negotiator, held a meeting via videoconference. The two sides agreed on the need to organise further negotiating rounds in order to make real, tangible progress in the negotiations by June. Mr. Barnier and Mr. Frost also discussed the implementation of the Withdrawal Agreement. They welcomed the fact that a first meeting of the Joint Committee had taken place between Michael Gove and Maroš Šefčovič on 30 March and they looked forward to its next meeting. They agreed that the proper and timely implementation of the Withdrawal Agreement was a key priority for both sides and noted that the Specialised Committees provided for by the Agreement, including on the Protocol on Ireland / Northern Ireland and on citizens' rights, would meet soon.

Given the ongoing coronavirus crisis, these negotiating rounds – the structure of which is set out in **the Terms of Reference** – will take place via videoconference. The following dates have been agreed for negotiating rounds lasting a full week: w/c 20 April (2nd round); w/c 11 May (3rd round) and w/c 1 June (4th round). The High Level meeting foreseen for June will take stock of the progress made.

On 24 April, Michel Barnier expressed his disappointment about the British lack of engagement within four crucial areas of divergence, including level playing field provisions,

fisheries, cooperation in the area of security and the overall governance of the partnership. At the same time, the UK negotiator again ruled out an extension of the transition period during the 2nd negotiation round.

In order to ensure the highest possible flexibility and responsiveness, the Chair has opted for the same procedure than the one that was used for EMPL opinion on the Withdrawal Agreement, with the following timetable:

27 April	Draft opinion ready and v1 sent to Coordinators for comments (round 1)
30 April	Exchange of views with experts of the UKTF
4 May	Deadline to comment on v1 (noon) / v2 circulated for comments (afternoon)
7 May	Deadline to comment on v2
8 May	Stabilised version sent to lead Committee as input for the Working Document
9-25 May	Possible last minute additions/updates (additional rounds of written consultations)
25 May morning	Draft letter ready - sent to EMPL Members with the VL
25 May afternoon	Preparation of the vote
26 May	<u>Vote and opinion sent to lead Committees</u> (even tabled under rule 56(4) if technically possible)
28 May	Deadline for opinion-giving committees to submit their opinion to the lead committees
15 June	Vote in AFET/ INTA
17 June	Vote in Plenary

Decision:

The Coordinators took note of the above information.

Note: the vote on 26 May will be a simple vote (Yes/No)

2.2. EMPL delegations in 2020 - update

Decision (supported by EPP, S&D, RE, ID, Greens, ECR, GUE):

The Coordinators took note that

- **it is currently *not* foreseeable if and when the planned delegations for the first half of 2020 might be held (delegations to Slovakia, Germany, OSHA/Bilbao, UNCRPD/New York)**
- **the following destinations had been agreed in a written procedure in March**
 - **Portugal - next Presidency(2 to 6 November 2020)**
 - **Eurofound (Dublin) (21-25 September 2020)**
 - **Estonia**

- the deadlines for the submission of requests for delegation missions in the second half of 2020 had been suspended

2.3. Cooperation pursuant to Rules 56+/57/58 - state of play

(As appropriate, to be followed up by information emails to all the groups, coordinators, rapporteurs & shadows)

2.3.1. Strong social Europe for Just Transition (MiP)

Challenged by ECON and CULT

- ✓ 2 letters from EMPL chair of 5 March 2020

Following the CCC written procedure on 2 April, it was decided that the EMPL Committee will be responsible for the strategic report entitled “A strong social Europe for Just Transition - Communication from the Commission”, the CULT Committee will be associated on the basis of Rule 57, whereas ECON Committee is not going to deliver an opinion. The report is still subject to authorisation by the CoP.

Decision: (supported by EPP, S&D, RE, ID, Greens, ECR, GUE):

The Coordinators took note agreements with ECON (no opinion) and CULT (Rule 57) were reached by 6 April 2020.

Formal authorisation to be granted by the CoP (pending).

2.3.2. • The protection of persons with disabilities through petitions: lessons learnt (MM)

The initial title “Report on the protection of EU citizens under the UN Convention on the Rights of Persons with Disabilities (UN CRPD), as evidenced through petitions” has been withdrawn. The new request is entitled “The protection of persons with disabilities through petitions: lessons learnt”.

- ✓ The related EMPL letter can be found among the annexes.

Decision: (supported by EPP, S&D, RE, ID, Greens, ECR, GUE)

The Coordinators took note that following a title change EMPL is associated pursuant to Rule 57.

The cooperation arrangements between PETI and EMPL still have to be spelled out in detail and to be agreed.

LIBE objected to the PETI report.

2.3.3. Digital Education Action Plan - Rule 57 with CULT - written procedure of 23-24 April (LS)

- ✓ The CULT letter is included in the papers for the meeting

The **CULT Committee** has requested authorisation to draw-up a **non-legislative own-initiative report** under Rule 54 of the Rules of Procedure on the **Digital Education Action Plan**. The report would build on the previous CULT INI report reacting to the first Digital Education Action Plan ('Education in the digital era: challenges, opportunities and lessons for EU policy design'), exploring what has been effective and what needs further development. It would also look specifically at the lessons emerging from the current pandemic and would seek to ensure that these lessons are incorporated into the future direction of EU policy.

In light of the above, **the CULT Committee would welcome an opinion from the EMPL Committee** - if EMPL wished to draft one - as it would surely enrich the report by covering all possible aspects of the digital education and training. That could be done **under Rule 57 (shared competence)** applicable to some aspects of the INI report. Hence, Rule 57 (shared competence) would apply **wherever the CULT Rapporteur covers, in her/his report, the link between digitalisation and lifelong learning in respect of VET (including professional qualifications) and social and employment outcomes for digital education**. This Rule 57 arrangement would ensure that EMPL's opinion would be given due attention in respect of those policy areas for which it is competent.

Decision: (supported by EPP, S&D, RE, ID, Greens, ECR, GUE)

The Coordinators noted that

- the matter has been dealt with in an EMPL written procedure on 23-24 April 2020
- the arrangements were to be confirmed by a CCC written procedure on 27-28 April 2020

2.4. EGF Working Group decision on the EGF Application for technical assistance (MiP/BM)

On behalf of the EGF Working Group Chair Mr Zdechovsky, we would like to inform you that the EMPL Committee has received the proposal for a decision of the EP and the council on the mobilisation of the European Globalisation adjustment fund for technical assistance at the initiative of the Commission hereby enclosed.

Following last meeting on 22 April with the European Commission, the Working Group has decided not to deliver an opinion or letter to the BUDG Committee view to the proposal technical nature and the current crisis constraints. However, we would like to inform you that the BUDG Committee vote is scheduled for 27 May.

16. Implementation of the Commission Work Programme 2020(MM)

Annex: Letter Sefcovic - Tajani

Extract from the letter:

“In the coming weeks, the Commission will in addition present both its exit and recovery strategies, aimed to coordinate action for lifting social confinement measures and for jumpstarting recovery so that our economy and society return to a normalised functioning. As part of its proposal for a recovery strategy, the Commission is therefore reassessing the 2020 Work Programme with the aim to focus in the first instance, on those initiatives that will directly and tangibly contribute to overcoming the crisis. As the European leaders concluded on 26 March 2020, our recovery strategy should integrate inter alia the green transition and digital transformation, and draw all the lessons from the crisis. The Commission intends to postpone other remaining initiatives until normal business can resume later in 2020. For these initiatives, the Commission will also reflect whether they need to be recalibrated to ensure they are well suited to address the challenges and opportunities of post-COVID-19 Europe. Furthermore, in view of the far-reaching measures proposed across a great number of policy areas, and to allow full focus on the priority legislative files, a number of initiatives will be deferred to later in 2020 or 2021.

The Commission will duly inform the European Parliament and the Council on the outcome of its assessment and present its recovery strategy to both institutions.”

On 23 April 2020, VP Sefcovic participated in an exchange of views with the CCC where he remained vague as to the concrete adaptations of the work programme (adopted on 29.1.2020)¹⁷. The sense of what he said might be summarised as “everything is maintained, but all the lessons from the Covid-19/Coronavirus crisis need to be factored in; hence some delays are possible”. The Commission will pursue a three-pronged approach consisting of the CWP 2020, the MFF and a recovery package.

Decision: (supported by EPP, S&D¹⁸, RE, ID, Greens, ECR, GUE¹⁹)

The Coordinators:

1. Took note

- of the above letter
- of the additional feedback from a CCC meeting with Mr Sefcovic on 23 April p.m.
- that the secretariat is exploring the availability of Commissioner Schmit for the EMPL meeting of 7 May, 14:30 hrs
- that the deadline for comments by committees to the CCC is 20 May (CCC secretariat did not reply positively to the secretariat’s request to postpone this).²⁰

2. Decided to take further decisions in a written procedure once the timetable has been

¹⁷ https://ec.europa.eu/info/publications/2020-commission-work-programme-key-documents_en

¹⁸ **Remark by the S&D group:** The dates regarding the update of the CWP 2020 should be updated

¹⁹ **Remark by GUE/NGL group:** OK, but the timeline will have to be adjusted, given that the CPW has been postponed to mid/end May

²⁰ 6. Annual Structured Dialogue with the Commission

CCC decision of 3 April 2020:

The Conference of Committee Chairs:

- took note of the dispositions included in the Annex IV of the Framework Agreement on relations between the European Parliament and the European Commission on the Timetable for the Commission’s Work Programme inviting the committees to hold exchanges of views with their relevant Commission Vice-President(s) and Commissioner(s) on the state of implementation of the current Commission Work Programme as well as on the priorities to be reflected in the CWP for the next year;
- exceptionally agreed, considering the meeting and committee activities limitations resulting from the spread of the coronavirus, that the committees may hold exchanges of views with the Commission also in a written format;
- with a view to preparing the Summary Report, which the Conference of Committee Chairs submits to the Conference of Presidents in June and on which the Parliament resolution of July can be based, took note that the committees should report the outcome of

confirmed (presentation of revised CWP postponed to the second half of May; the private office of Commissioner Schmit was asked whether he would be available on 7 May, and confirmed to participate in an exchange of views on 26 May).

17. Remote voting in the EMPL Committee²¹

The papers for the meeting include

- A letter from Mr Tajani to Mr Sassoli, together with an annex on the remote voting procedure
- Further instructions from CoordLeg
- A note from the secretariat and two Excel tables as explanatory examples

On 8 April the Conference of Committee Chairs adopted guidelines for remote voting in Committees.

Decision: (supported by EPP, S&D, RE, ID, Greens, ECR, GUE)

1. The Coordinators noted that

- all votes are to be taken as roll-call votes and the results will be *recorded*, but in order for the result of a RCV to be *published in the minutes*, groups must formally request a RCV in advance
- all votes must be cast personally and independently
- voting from private email addresses is not allowed (only from *MEPfirstname.MEPlastname@europarl.europa.eu*)
- the secretariat proposes to carry out votes by means of individual Excel tables and that the envisaged arrangements will be explained to group staff in a Webex meeting
- clear explanations to MEPs and their assistants will be provided ahead of each vote.

2. The Coordinators noted that they will decide on the arrangements when the date of the first vote is established, possibly by a written procedure, after the rules, the process and the methods have been sufficiently clarified with group staff.

these exchanges and inform about a limited number of major legislative objectives which they would like to be considered in the Commission's Work Programme 2021 (maximum of 10 key messages to the Commission);

- took note that the contributions should be drafted in resolution style, with no subparagraphs (max. one page) and be sent to the Chair of the Conference of Committee Chairs (with the CCC Secretariat in copy) by 20 May 2020 at the latest.

²¹ **Remark by the ID group:** We would like to have an example of an excel Voting List and we would like to ask if a videoconference among coordinators (with interpretation) is possible in order to discuss/explain the votes procedure.

Reports

6.1. Employment and social policies of the euro area 2020

- ✓ The papers for the meeting include the letter requesting authorisation of the INI.

The request for authorisation was submitted to the CCC on 23 April 2020 and was dealt with in a follow-up written procedure launched on 27 April.

The resolution should be adopted in EMPL by October 2020.

On 4 December 2019, the EMPL Coordinators decided that the S&D group should nominate a rapporteur for both Semester reports in the 2020 cycle: the report on the AGS 2020 and on the Employment and Social policies of the Euro area 2020 (in line with the Conference of Presidents' decision and with past practice to appoint one Rapporteur for the whole annual process.)

Decision:

The Coordinators took note that in line with past practice, Ms Dobrev (tbc by S&D) is the rapporteur of this report.

6.2. Implementation of Council Directive 2000/78/EC establishing a general framework for equal treatment in employment and occupation in light of the UNCRPD

Decision: (supported by EPP, S&D, RE, ID, Greens*, ECR, GUE)

Appoint a rapporteur by a written follow-up procedure.

*The Greens have expressed an interest to bid for the file.

Opinions

6.3. Shortage of medicines - how to address an emerging problem (lead Committee ENVI) (EC)

- ✓ The papers for the meeting include the letter requesting authorisation of the INI.

**The ITRE Committee is to be associated under Rule 57.
The INTA Committee has requested an opinion under Rule 56.
EMPL has requested the *possibility* to give an opinion under Rule 56**

The vote in ENVI is planned for 24-25 June 2020.

If an EMPL opinion is delivered, the EMPL Secretariat propose that it is drafted under rule

56(4) (tabling of AMs directly to ENVI draft report), with the following timetable:

Draft report ready (FR)	29 April 2020
EN translation available	By 8 May 2020
Deadline for AM in EMPL in EN	14 May noon
Negotiations on possible compromise AMs	15-22 May
Vote in EMPL	26 May
Consideration of draft report in ENVI	27 May 2020 (tbc)
<i>Deadline for amendments</i>	<i>3 June 2020</i>
Vote in ENVI	24/25 June 2020 (tbc)
Vote in plenary	July 2020

Decision:

Option A has been adopted.

- **Option A (Supported by EPP, S&D, RE, ECR, GUE)**
No opinion since (1) employment aspects are expected to be minimal or absent from the draft report and (2) there seems to be an agreement among groups that non substantial business should be avoided. Members would be rather invited to table their amendments directly to ENVI (provided they are co-signed by an ENVI full or substitute Member).

OR

- **Option B (supported by ID, Greens*)**
 - ✓ **B.1. Endorse an EMPL opinion under Rule 56(4) (EMPL amendments tabled directly to ENVI draft report)**
 - ✓ **B.2. Appoint a rapporteur (this would be done via a separate written procedure)**

Take note that the tight timetable may require a number of procedural simplifications which are to be proposed under the authority of the rapporteur.

***The Greens have expressed an interest to bid for the file.**

6.4. New Circular Economy Action Plan (lead Committee ENVI) (TV)

- ✓ The papers for the meeting include the letter requesting authorisation of the INI.

Lead Committee ITRE, Committees for opinion: AFET, INTA, ECON, EMPL, ENVI, TRAN, IMCO, AGRI, CULT, JURI, LIBE, FEMM

There is no timetable yet by the lead Committee ITRE (information as of 27.4.)

Decision:

Option B has been adopted.

Option A (supported by EPP)

6.6. A European strategy for data (lead Committee ITRE, Committees for opinions: AFET, INTA, ECON, EMPL, ENVI, TRAN, IMCO, AGRI, CULT, JURI, LIBE) (RS)

- ✓ The papers for the meeting include the letter requesting authorisation of the INI.

Decision:

Option A has been adopted.

Option A (supported by EPP, S&D, RE, ID, Greens, ECR, GUE)

No opinion, since EMPL responsibilities are not primarily concerned / can be addressed in the above “sister” INI on “Shaping Europe’s digital future” and “Artificial Intelligence”.

Option B

Appoint a rapporteur (This would be done via a separate written procedure)

6.7. A new strategy for European SMEs (lead Committee ITRE) (SR)

The papers for the meeting include the letter requesting authorisation of the INI.

The timetable of the lead Committee ITRE is not available yet (presentation of the draft report – shortly before the summer recess, tentative date of vote: October 2020 (TBC))

Decision:

Option B has been adopted.

No opinion

Option B (supported by EPP, RE, ID, Greens, ECR, GUE)

Appoint a rapporteur (This would be done via a separate written procedure)

Option B (suggested option) (supported by S&D, RE, Greens, ECR, GUE)

Appoint a rapporteur (This would be done via a separate written procedure)

6.9. Amending Regulation (EU, Euratom) No 1311/2013 laying down the multiannual financial framework for the years 2014-2020 (EC)

Procedural information

Council could adopt the act only if Parliament has given its consent to the act.

The lead Committee (BUDG) decided to use the urgency procedure (Rule 163).

The Commission proposal was issued on 2 April, and the plenary gave its consent on 16 April.

Hence, there was *de facto* no time for opinions and no committee for opinion delivered any opinion

Decision: No opinion

6.10. Shaping Digital Education Policy (LS)

Lead Committee CULT, EMPL to be associated with rule 57

The papers for the meeting include the letter requesting authorisation of the INI.

The CULT calendar is not available yet.

Decision: Option B has been adopted.

No opinion

Option B (supported by EPP, S&D, Greens, ECR, GUE)

Appoint a rapporteur (This would be done via a separate written procedure)

6.11. •Delivering the Sustainable Europe Investment Plan - (MaP)

Coordinators postponed their decision on 20 February 2020 and then on 26 March.

Lead Committee ECON -

Annex: ECON letter

- Note that the lead committees BUDG-ECON intend to vote during the week of 13 July. As the decision on a possible opinion was postponed twice, the time available to finalize the opinion might be considered as too tight now, or alternatively, the opinion would need to be finalized under time pressure (possibly EN-only procedure).

Decision: Option A has been adopted.

Option A (supported by EPP, ID, Greens, ECR, GUE)

No opinion as it seems that the Just Transition Fund will not be covered by the ECON own-initiative report. *(Recommended by the secretariat in view of scarce facilities, the fact that the potentially most relevant element for EMPL is excluded from the INI (the Just Transition fund) and the tight timetable)*

Option B (supported by S&D, RE*)

Appoint a rapporteur (This would be done via a separate written procedure as for point 5.1)

*fast track procedure, only in EN

6.12. REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL establishing the framework for achieving climate neutrality and amending Regulation (EU) 2018/1999 (European Climate Law) (TV)

The Coordinators postponed their decision on 26 March.

Decision: Option A has been adopted.

Option A (supported by EPP, S&D, ID, Greens, GUE)

In light of the following:

- 3- the proposal on a Just Transition Fund (2020/0006(COD)) for which EMPL has requested the application of Rule 57 would address in more detail the main EMPL-related aspects of a Green Deal, i.e. the need to ensure a just and socially fair transition,
- 4- EMPL did not provide an opinion when the act being amended was proposed (Regulation 2018/1999 on the Governance of the Energy Union and Climate Action;

it was agreed not to draw up an opinion.

Option B (supported by RE, ECR)

Appoint a rapporteur (This would be done via a separate written procedure as for point 4.1)

**6.13. Report from the Commission to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions on the implementation of Decision (EU) 2016/344 establishing a European Platform for enhancing cooperation in tackling undeclared work (BM)
COM(2020) 0129**

The European Platform tackling undeclared work was set up in 2016 to enhance cooperation between Member States, under Decision (EU) 2016/344. It brings together over 50 stakeholders: Member States' representatives of ministries and enforcement authorities (labour inspectorates, tax and social security authorities) as well as cross-sectoral social partners. They act as a single point of contact, liaising with national stakeholders and disseminating learning outcomes. Observers include 14 social partner organisations from key sectors, as well as Eurofound, EU-OSHA, ILO, Norway and Iceland. Regulation (EU) 2019/1149 of 20 June 2019 establishing a European Labour Authority foresees the integration of the Platform into ELA as a permanent working group, which will presumably take place in 2021.

This report on the application and the added value of Decision (EU) 2016/344 reviews progress achieved in its implementation, following on from the Platform's Biennial Report adopted in 2018. Pursuant to Article 12 of the Decision, it assesses the extent to which the Platform has achieved the objectives in Article 4, fulfilled its mission as set out in Article 5, carried out the activities in Article 6 and addressed the priorities in its work programme. The report integrates the results from a specific survey among Platform members in 2019 as well as ongoing monitoring of Platform activities.

Decision: (supported by EPP, S&D, RE, ID, Greens, ECR, GUE)

Take note of the report, no further action.

**6.14. Proposal for a Council Regulation on the establishment of a European instrument for temporary support to mitigate unemployment risks in an emergency (SURE) following the COVID-19 outbreak (JB)
COM(2020)0139**

As part of the EU's response to the COVID-19 crisis, on 2 April, the European Commission proposed the creation of SURE, the European instrument for temporary support to mitigate unemployment risks in an emergency. SURE is a temporary instrument to complement national efforts to protect employees and the self-employed from the risk of unemployment and loss of income. The proposal foresees that the EU would be able to provide financial assistance of up to €100 billion in the form of loans to affected Member States to support 'short-time work' schemes and other national measures that have this objective. The

Eurogroup welcomed the proposal on 9 April^[1]. It is now up to the Council to adopt it. The legal basis of the SURE instrument is Art. 122 TFEU, and therefore, Parliament is not involved in this legislative procedure. On 23 June, the European Council endorsed the agreement of the Eurogroup on three safety nets for workers, businesses and sovereigns, amounting to a package worth 540 billion euro.¹ They called for the package to be operational by 1 June 2020.²

The European Parliament resolution of 17 April 2020 on EU coordinated action to combat the COVID-19 pandemic and its consequences³ contains inter alia the following paragraph:

“37. Believes that the Member States must take measures to ensure that workers in Europe, including the self-employed, are shielded from income loss and that the most affected companies, in particular SMEs, and sectors have the necessary support and financial liquidity; welcomes in this respect the Commission’s new Support to mitigate Unemployment Risks in an Emergency (SURE) proposal and calls for its swift implementation and to launch a permanent European Unemployment Reinsurance Scheme; encourages the Member States to better coordinate social and fiscal legislation in order to avoid ramifications in terms of social security and fiscal systems for crossborder workers and labour migrants as a result of emergency measures;”

^[1] <https://www.consilium.europa.eu/en/press/press-releases/2020/04/09/report-on-the-comprehensive-economic-policy-response-to-the-covid-19-pandemic/>
Conclusion 17:

“SURE. In the spirit of solidarity and in light of the exceptional nature of the COVID - 19 crisis, we agree on the need to establish, for the duration of the emergency, a temporary loan-based instrument for financial assistance under Article 122 of the Treaty on the Functioning of the European Union. We will strive to make the instrument operational as soon as possible. In this context, we welcome the Commission proposal of 2 April to set-up a temporary instrument supporting Member States to protect employment in the specific emergency circumstances of the COVID-19 crisis. It would provide financial assistance during the time of the crisis, in the form of loans granted on favourable terms from the EU to Member States, of up to EUR 100 billion in total, building on the EU budget as much as possible, while ensuring sufficient capacity for Balance of Payments support, and on guarantees provided by Member States to the EU budget. The instrument could primarily support the efforts to protect workers and jobs, while respecting the national competences in the field of social security systems, and some health-related measures. This proposal should be taken forward without delay in the legislative process. The Member States’ position on this emergency instrument does not pre-judge the position on future proposals related to unemployment insurance. Consistent with its legal basis, access to the instrument will be discontinued once the COVID-19 emergency has passed.”

COM(2020)0143**

In this Communication of 2 April 2020, the Commission announced a series of measures:

- Put every available euro in this year's EU budget in an emergency instrument to support efforts to save lives.

In addition, the Communication announced that there will be specific proposals to make sure that the most deprived can still receive food deliveries and there will be tailored support for farmers and fishermen who are the heartbeat of many of our local communities and who are helping to keep Europe's food supply chain going.

4. The motion for a resolution shall be submitted to the President, who shall verify whether it fulfils the applicable criteria. If the President declares the motion to be admissible, he or she shall announce it in plenary and refer it to the committee responsible.

5. The committee responsible shall decide what procedure is to be followed, which may include the combination of the motion for a resolution with other motions for a resolution or with reports; the adoption of an opinion, which may take the form of a letter; or the drawing up of a report under Rule 54. The committee responsible may also decide not to follow up the motion for a resolution.

6. The authors of a motion for a resolution shall be informed of the decisions of the President, of the committee and of the Conference of Presidents.

B9-0135/2020

Motion for a European Parliament resolution on the intervention criteria for the European Globalisation Adjustment Fund

The European Parliament,

- having regard to Rule 143 of its Rules of Procedure,
- A. whereas the European Globalisation Adjustment Fund (EGF), with an annual budget of EUR 150 million, provides support to people who have lost their job as a result of major globalisation-induced structural changes in world trade patterns, by funding up to 60% of the cost of projects designed to help redundant workers find another job or set up a business;
- B. whereas the EGF is mobilised only if more than 500 workers⁵ are made redundant by a single company;
- C. whereas the health crisis that has hit many Member States threatens to inflict severe economic damage that will lead to job losses;
- D. whereas the spread of the Covid-19 coronavirus is a consequence of globalisation and of free movement in the EU;
- 1. Takes the view that the EGF’s intervention criteria should be broadened to cover smaller companies;
- 2. Calls for an increase in the EGF’s annual budget for the 2021-2027 period;
- 3. Instructs its President to forward this resolution to the Council and the Commission.

Decision: (supported by EPP, S&D, RE, ID, Greens, ECR, GUE)

- **Decide that no further action is required, as the regulation on the European Globalisation Adjustment Fund is the object of ongoing negotiations.**

7. The report referred to in paragraph 5 shall contain the text of the motion for a resolution.

8. Opinions in the form of a letter referred to in paragraph 5 that are addressed to other institutions of the European Union shall be forwarded to them by the President.

9. A motion for a resolution tabled in accordance with paragraph 1 may be withdrawn by its author or authors or by its first signatory before the committee responsible has decided, in accordance with paragraph 5, to draw up a report on it. Once that motion for a resolution has been thus taken over by the committee responsible, only that committee shall have the power to withdraw it. The committee responsible shall retain that power of withdrawal until the opening of the final vote in plenary.

⁵Article 4 of Regulation (EU) No 1309/2013 of the European Parliament and of the Council of 17 December 2013 on the European Globalisation Adjustment Fund (2014-2020) and repealing Regulation (EC) No 1927/2006.
