final votes and the announcement of the results of the final vote might also have to be done **outside** a formal committee meeting in written (email) procedures.
[Separate information was provided by various emails on 23 and 24 June.]

The Chair would like to take up Mr Pislaru's idea of organising a (voluntary) test vote which demonstrates the benefits of iVote.
Such a test vote, together with a Q&A session, could be organised end of June or in early July.

2. Points for information/follow-up of previous decisions

The Coordinators took note of

- a document on the structured dialogue - summary report

3. Cooperation pursuant to Rules 56+/57/58 - state of play

(As appropriate, to be followed up by information emails to all the groups, coordinators, rapporteurs & shadows)

3.1. *The protection of persons with disabilities through petitions: lessons learnt (MM)*

Decision

The Coordinators took note of the PETI/EMPL Rule 57 cooperation agreement (text approved in a separate written procedure on 11 June 2020).

2.2. *Recovery Plan package proposals - EMPL involvement*

Decision

The Coordinators instructed the Chair to write to the CCC so as to confirm the EMPL claims officially. Letter was finalised in an urgent written procedure on 19 June.

4. Future EMPL meetings dates

(Approve + take note)

See the modified EP calendar of meetings on the EMPL webpages:

https://www.europarl.europa.eu/cmsdata/206197/2020-04-02%20Calendar%20for%202020_en.pdf

The following dates could be requested subject to availability of resources (the logistical capacities are limited to only four meetings with INTERACTIO in parallel):

- **16 July** 10:00 - 12:00 hrs and 14:30 - 16:30 hrs (instead of 15 July as previously planned) - necessary for German Presidency and votes on Rodriguez Palop/Gender equality and Cañas/Industrial strategy opinions
- The calendar for meetings **after the summer break** is not yet clear, given that the central political and administrative authorities are still working on it.

Decision

The Coordinators took note of the new date (16 July) and also noted that the Coordinators shall be consulted again in advance of the next meetings as and when timing and agendas would become clearer.

Decision

The Coordinators decided

withdrawn Commission proposal on RSP.

Decision

Option A.

In view of the overall workload and the urgency of this Commission proposal which might not allow for a proper involvement of the EMPL committee, Coordinators might consider it appropriate **not to draw up an EMPL opinion.** (EPP + ID = 21, rejected)

Option B.

B.1. Note that the proposal allocates additional resources, inter alia to the ESF, YEI and the FEAD; Note that the REGI timetable is not yet known and that it might render an EMPL opinion futile.

B.2. Decide to draw up an opinion

B.2.a. Ms Jongerius, EMPL rapporteur for the CPR 2021-2027 could serve as rapporteur also for this file (**S&D + Renew + GUE = 24, adopted**)

OR

B.2.b. Appoint a rapporteur in a written follow-up procedure (Greens + ECR = 9, rejected)

B.3.a Request the application of **Rule 57**, bearing in mind that EMPL had Rule 57 status for the 2014-2020 CPR but enjoys only Rule 56+ status in relation to the 2021-2027 CPR (**S&D + Greens = 16, adopted**)

OR

B.3.b. Request the application of **Rule 56+**, along the lines of the arrangements agreed for the 2021-2027 CPR (participation in relevant shadows' meetings and trilogues) (no support, rejected)

Decision

The Coordinators decided

- **to re-appoint Mr Pîslaru as a rapporteur for opinion** who had been the rapporteur for opinion on “Establishment of the Reform Support Programme” of which the Technical Support Instrument had been part.
- that the file be **dealt together** with the proposal on **Establishing a Recovery and Resilience Facility** which had replaced the withdrawn Commission proposal for a Reform Support Programme.

Decision

The Coordinators

1. Recalled that during the previous parliamentary term, the EMPL coordinators had decided at their meeting of 14 June 2018 NOT to draw up an opinion on this file.
2. Decided not to draw up an opinion since the new Commission proposal fully reflected the partial agreement already reached between the European Parliament and the Council in April 2019 and the changes it introduced concerned an increase in the financial envelope and a new Strategic European Investment Window.
3. Decided in addition to write a letter drawing the attention of the lead committee(s) to the reduction in allocations for social enterprises and social investment, competences and skills (Annex I(d) of the fresh proposal).

5.9. Programme for the Union's action in the field of health for the period 2021-2027 (“EU4Health Programme”) (TBC)

Decision

1. Noted that the file had in the meantime been referred to EMPL at the Chair's request and that ENVI would adopt its report in September.

2. Decision:

Option 2.A: Confirm not to draw up an opinion since there were no occupational health aspects and the timetable was too tight. (*EPP + Renew + ID + ECR = 28, adopted*)

Option 2.B: Decide to draw up an opinion, instruct the Chair to write to the President to request authorisation for drawing up an opinion pursuant to Rule 56 (done before the conclusion of the present written procedure by means of a separate written urgency procedure, together with a request to the CCC for Rule 57) and appoint a rapporteur who would make suggestions as to the timetable and arrangements of the urgency procedure.

The rapporteur could be appointed in a written follow-up procedure. (*S&D + Greens + GUE = 20, rejected*)

and coordinators were invited to note that the Rapporteur and Coordinators will be informed of any update from BUDG on the timetable applicable for the EMPL contributions.

BUDG Secretariat sent the following email to Secretariats of opinion-giving Committees:

“Dear colleagues,

You are numerous to contact us about the calendar for the budgetary procedure 2021 for your internal planning.

So far, the only confirmed information is that the **Draft Budget (Statement of Estimates)** by the Commission will be adopted on **24 June**². Commissioner Hahn will present it in BUDG on the same day (timing tbc).

For the following steps, as explained in our previous e-mail, we depend on the date of the Council' reading, which depends on the progress on the MFF in the European Council. We are working on a number of scenarios which build on different assumptions of a possible agreement on the Council's position in Coreper.

At this point in time, **no option can be ruled out:**

- If there is an **agreement in the EUCO on the MFF in July**, the Council would still try to adopt its position on budget 2021 in July, in which case our **baseline scenario can be followed** and our internal deadlines can be kept.
- If however there was **no agreement on the MFF in July** (in the EUCO), the Council would adopt its position only after the summer, hence then **the whole calendar** of the procedure would need to be **modified**. Given the high degree of unpredictability, it would be very premature to sketch out any possible days for this option now.

You can count on us to immediately inform you as soon as we have new tangible elements to communicate.

Thank you for your understanding.

Kind regards,

BUDG 2021 procedure team “

The presentation of the Draft Budget 2021 by Commissioner Hahn is scheduled to take place during the BUDG committee meeting on 24 June 2020 from 17:00 to 18:45, via the Interactio platform. The EMPL Chair, in her capacity of Rapporteur for the budget, has been invited to attend this presentation.

The draft opinion will be drafted after that presentation and be discussed at the EMPL meeting of 16 July as initially planned. Should there be no agreement on the MFF in July, the whole EMPL timetable will be reshuffled and EMPL Coordinators will be informed accordingly.

NB: the next steps for Pilot projects/Preparatory actions for the 2021 Budget remain a priori unchanged:

Timetable	
End June (tbc)	Result of the Commission's assessment will be available
Week 29: 15-16 July	Possible shadows meeting

² Note: ultimate Treaty deadline is 1st July

16 July, noon

Deadline for Members to table PPs/PAS as budgetary AMs (by email, and preferably in EN)

10. Structure of committee debates - proposal by the Greens/EFA Group

Background: Email of 17 June 2020:

*Dear Coordinators,
Dear Colleagues,*

On the basis of our experience relating to the latest exchange of views with Commissioners and Directors, on behalf of the GREENS/EFA, we would like to propose a change to the structure of these events, similarly to the practice of some of the other committees.

In order to safeguard that we get an answer to all our questions, we would find it beneficial to have the answer from the speakers right after each question of the MEPs.

Also, in order to ensure a meaningful, content-centred hearing, we would propose to have the possibility for a second, follow-up question, and one minute to give complementing answers, similarly to the hearings of the Commissioners at the start of the term.

The time aspect of this new exchange of views structure would look like the following:

- question by the MEP in 1 minute,*
- answer by the Commissioner / Director / speaker in 1 minutes,*
- a clarifying question in 0,5 minute,*
- a complementing answer provided by the main speaker or their accompanying colleagues in 1 minute.*

Like this, there would be around the same time allocated for the exchange of views but we might have a more in-depth discussion.

We would kindly ask the secretariat to put this issue on the agenda of our next coordinators' meeting.

We hope that you can support our proposal. Thank you for your kind consideration.

Best regards,

Katrin Langensiepen, Kira Marie Peter-Hansen and Kim Van Sparrentak

Decision

The Coordinators

- 1. Took note of the proposal which had been endorsed by several political groups.**
- 2. Instructed the secretariat to draw up an options paper to be discussed with the political groups.**

3. Agreed to hold an exchange of views at the next coordinators' meeting which shall be a live Interactio meeting.

11. Request for an explanatory opinion from the EESC on “Industrial transition towards a green and digital European economy: regulatory requirements and the role of social partners and civil society” (MP)

Background: Email of 18 June from the S&D Group:

Dear all,

As suggested during today's meeting at staff level we would suggest the following topic for an explanatory opinion from the EESC in Line with Article 145 (2) Rules of Procedure: “Industrial transition towards a green and digital European economy: regulatory requirements and the role of social partners and civil society”.

The request is not linked to any particular file but could rather be useful in view of different topics such as just transition, green deal, digital transition, industrial strategy etc.

Please note that this request will NOT increase the workload of the EMPL committee, as the opinion would be drafted by the EESC.

*Best regards,
Jan*
