## Amendment 1

### Draft legislative resolution

#### Paragraph 1

##### *Draft legislative resolution*

1. **Gives** its consent to the draft Council directive

##### *Amendment*

1. **Refuses to give** its consent to the draft Council directive

##### *Justification*

*This directive multiplies the powers of the public administration, increasing the interventionism of equality bodies, which have no democratic accountability; this entails a risk that these bodies turn into powerful ideological commissariats.*

*In addition, the ideology of gender reassignment, already recognised by the case law of the Court of Justice of the European Union, is introduced into law.*
