D. Gender Mainstreaming Action Plan

Ms Kira Peter-Hansen presented the draft implementation report for the period from May 2021 to May 2022 prepared with Ms Monica Semedo, both FISC representatives in the Gender Mainstreaming Network.

The Coordinators noted that efforts need to be made to improve the gender balance, in particular, in official delegations, in hearings and in the Secretariat. To improve the gender balance, the Secretariat was tasked with:

- proposing to Coordinators additional female speakers in case the political groups' suggestions for hearings don't guarantee that balance;
- alerting Coordinators in case the proposals for participants in FISC missions are not balanced from a gender perspective and;
- ensuring that new recruitments at staff level aim at a more gender-balanced composition of the Secretariat

The implementation report will be adopted at the next Coordinators' meeting.

E. European Year of Youth 2022

The Coordinators agreed to cooperate with the ECON committee, which

is planning an event/hearing that addresses *inter alia* policies for young people working on cross-border basis, in particular on the taxation aspects. The Coordinators were invited to submit suggestions in writing for the possible format of an event that includes young people.

F. Preparation of the bilateral meeting with the Czech National Parliament

The exchange of views with the Czech National Parliament is tentatively planned on Monday 5 September, from 15.00 to 17.00.

In order to prepare the agenda of this meeting, Coordinators mandated the FISC Chair to suggest his counterpart in the Czech National Parliament to exchange views on the priorities of the Czech Presidency in tax matter.

The Chair was also mandated to rethink the format of the meeting.

G. Study from the Commission on Tax compliance costs for SMEs

At the last meeting, Coordinators decided to request a study on "An overview on the impact of tax compliance costs and administrative burden on European companies (focusing on SME's)". The Commission has just released a study on tax compliance costs for SME.

The Coordinators were invited to make suggestions in writing to limit as much as possible the possible overlap between the two studies or to propose another title.

H. Mission to Ireland

Coordinators decided to postpone the mission to Ireland after the summer break and consider doing the mission in week 38 (starting on 19 September). The Secretariat was tasked with checking the availability of Members of the Finance Committee of the Oireachtas in order to set the exact date of the mission.

Hence, the mission to Luxembourg will be organized in the margin of the October II plenary session.
