COORDINATORS' MEETING

Tuesday, 25 April 2023

16.45 to 18.00

Meeting room SPAAK 1A2

BRUSSELS

Summary of Coordinators recommendations

Present:

Bureau: Paul Tang (Chair)

Coordinators: Markus Ferber (Substitute EPP Coordinator)
Aurore Lalucq (S&D Coordinator)
Gilles Boyer (Renew Coordinator)
Kira Marie Peter-Hansen (Greens Coordinator)

ITEMS FOR DECISION

A. High Level Conference on Taxation

The Coordinators agreed to organize a High Level Conference on Taxation which could take place at the end of 2023. The **objective** of this conference would be to take stock of the work done by the European Parliament in the area of taxation, build links to strengthen parliamentary oversight of EU work on taxation and be an opportunity to have a larger debate on future challenges the EU and its Member States will be facing in the coming years.

The Coordinators took note of the preliminary draft programme. They agreed to organise this conference as a **one-day** event. A broad majority of Coordinators (all Coordinators but EPP) agreed to co-organise this event with the European Commission. The Conference would then be integrated and merged within the annual Tax Symposium of the Commission. All Coordinators but EPP highlighted the importance of including the Council in the conference in order to deepen inter-institutional cooperation. They however agreed that care should be taken in the involvement of the Council Presidency in view of the upcoming national elections. A possibility could be to hold the Conference in October.

They were invited to provide the Secretariat with written comments on the draft programme and suggestions for speakers to be invited.

B. Annual Programming - Commission Work Programme (CWP)- FISC contribution to the Summary Report 2023

In the context of the annual programming cycle, the Chair of the CCC invited the Committees to provide their contributions to the Summary Report 2023 by 25 May 2023 at the latest.

The Coordinators held an exchange of views based on the draft proposal prepared by the FISC Secretariat.

They were invited to provide the Secretariat with written comments by **Wednesday, 3 May cob**. Based on the written contributions, a final consolidated version will be prepared and circulated for final comments with a view to being submitted to the ECON Coordinators at their meeting on 20 May.

C. Programmes of the upcoming public hearings

The Coordinators endorsed the programmes for the following public hearings:

- The role of tax incentives in achieving EU policy goals” (27 June)

- One of the authors of “*Comparing tax incentives across jurisdictions: a pilot study*” (2019), Markus Meinzer, Mustapha Ndajiwo, Rachel Etter-Phoya, Maimouna Diakité, **Tax Justice Network**.
- **Ana Cinta González Cabral**, co-author of the report *Tax Incentives and the Global Minimum Corporate Tax: Reconsidering Tax Incentives after the GloBE Rules*, OECD Publishing, Paris, <https://doi.org/10.1787/25d30b96-en>
- **Dr. Tobias Hentze**, Head of State, Taxes, Social Security Research Unit, Institut der deutschen Wirtschaft Köln or **Oliver Nussbaum**, Global Head of Taxes and Duties, BASF SE and Chair of BDI Working Group for International Tax Issues

It was agreed that **Agustin Redonda** (Swiss Council of Economic Policies) would be invited as a back-up speaker, if one of the other invited speakers declines.

➤ “Tackling the role of enablers involved in facilitating tax evasion and aggressive tax planning in the European Union (SAFE)” (17 July)

- Prof. **Emer Mulligan**, National University of Ireland, Galway
- **Gabriela Figueiredo Dias**, Chair of the International Ethics Standards Board for Accountants (IESBA)
- **Olivier Boutellis-Taft** - CEO Accountancy Europe

Given that the hearing is closely linked to an upcoming legislative proposal, a representative of DG TAXUD will be invited to react to the interventions by the speakers after their presentations.

➤ “New EU common system for the avoidance of double taxation and prevention of tax abuse in the area of withholding taxes” (19 September)

- **Francis Weyzig**, Tax director CPB Netherlands
- **Laetitia de la Rocque**, Director of Fiscal Affairs at AFEP (Association française des entreprises privées)
- **An IBFD representative**

The date of this hearing has been scheduled in September in view of the upcoming legislative proposal on this topic.

A representative of DG TAXUD will be invited to react to the interventions by the speakers after their presentations.

➤ “Capital gains taxation in the EU” (25 October)

- **Daniel Bunn**, *President and CEO of Tax Foundation*

- **Stefanie Stantcheva**, *Professor of Political Economy at Harvard*
- **Ruud A. de Mooij**, *Division Chief for the Tax Policy Division of IMF's Fiscal Affairs Department.*

With a view to ensuring high presence of Members during these hearings, **Coordinators were reminded of their decision of 9 September 2021 that the participation of ECON Members in FISC meetings should be possible on an exceptional basis and limited to hearings.**

D. Double Taxation of Ukrainians

On 12 April, the first Inter-Committee Meeting of the European Parliament and the Verkhovna Rada of Ukraine took place during which Committee Chairs exchanged views on cooperation and assistance issues.

The Coordinators agreed to ask the negotiating team of the own-initiative report on taxation in times of crisis to assess and possibly address the issue of double taxation that some Ukrainians refugees might face because of working remotely for Ukrainian companies while residing in the EU. They decided to investigate whether the EPRS could provide a briefing on the matter or whether a study by the Policy Department is necessary.

Furthermore, a structured discussion with the Committee on Finance, Taxation and Customs Policy of the Verkhovna Rada could be envisaged in a later stage. At the invitation of the Chair of the Committee on Finance, Taxation and Customs Policy of the Verkhovna Rada, a bilateral meeting with the FISC Chair will take place in the coming weeks.

E. Study on tax good practices

The Coordinators decided to investigate whether a study on the double taxation of Ukrainians is necessary.

Otherwise, a majority of coordinators indicated support to conduct a study on good practices in the fight against tax avoidance should be requested. This study will look at what indicators exist that countries do well or do not well in the fight against tax avoidance. The aim would be to develop an objective empirical framework which could serve as a foundation for constructive engagement. This study could be presented at the High Level Conference on Taxation, depending on the timeline for the preparation of the study.

The analysis on whether a study on double taxation of Ukrainians by the EP

services will be shared with Coordinators ahead of the next coordinators meeting to take a final decision.

F. Mission to the UK and the Channel Islands (19 to 23 June 2023)

The Coordinators endorsed the draft programme of the mission to London, United Kingdom and the Channel Islands.

G. Mission to Singapore - Week 30 (July)

The Coordinators endorsed the first general draft proposal for the programme of the mission.

Political groups were invited to send written contributions for suggestions of persons and stakeholders to invite. They were also invited to provide the Secretariat with the name of Members interested in taking part in this mission.

ITEMS FOR INFORMATION

H. Exchange of views with Commissioner Gentiloni

The Coordinators took note that ECON will have an exchange of views with Commissioner Gentiloni in the context of the annual structured dialogue on taxation on Wednesday 28 June, from 15.30 to 17.00.

In addition, the annual exchange of views between Commissioner Gentiloni and the FISC Subcommittee is planned for Tuesday 19 September, from 16.00 to 17.30.
