

ORAL QUESTION H-0369/01
for Question Time at the part-session in May 2001
pursuant to Rule 43 of the Rules of Procedure
by María Avilés Perea
to the Commission

Subject: CLOVIS creche

Further to my oral question H-0575/99¹, at the November 1999, concerning the sexual abuse of children at the European Commission crèche "CLOVIS", I should like to know what measures the European Commission has taken to prevent the reoccurrence of such despicable events, what measures it has taken to ensure that all those responsible and not just those most "in the public eye" are held accountable and what support it has given to the victims' parents and the victims themselves.
