

ORAL QUESTION H-0033/03  
for Question Time at the part-session in February 2003  
pursuant to Rule 43 of the Rules of Procedure  
by John McCartin  
to the Commission

Subject: Salmon farming industry

Is the Commission aware of the severe economic difficulties in the salmon farming industry and is the Commission considering re-introducing minimum import prices to prevent subsidised production from wiping out EU producers?
