

ORAL QUESTION H-0336/03
for Question Time at the part-session in June 2003
pursuant to Rule 43 of the Rules of Procedure
by James Fitzsimons
to the Council

Subject: Consumer and health initiatives

Will the Council state what positive developments it considers have taken place during the Greek Presidency to strengthen the role of consumer policy and create greater awareness of the importance of preventive measures with regard to illnesses, and which consumer and health dossiers will it be recommending to the next Presidency for further action?
