

ORAL QUESTION H-0492/03
for Question Time at the part-session in September I 2003
pursuant to Rule 43 of the Rules of Procedure
by Neil MacCormick
to the Council

Subject: Food Supplements Directive

Is the Council aware that many citizens in Scotland and other parts of the United Kingdom as well as elsewhere in the European Union are suffering great distress at the prospect of diminished availability of dietary supplements by virtue of the recent Directive on this (2002/46/EC¹), which is currently being transposed by Member States? Will the Council request an early report from the Commission to consider upward revision of permitted maxima?
