

ORAL QUESTION H-0673/03
for Question Time at the part-session in November 2003
pursuant to Rule 43 of the Rules of Procedure
by John Purvis
to the Commission

Subject: International Ship and Port Security Code

Is the Commission confident that the ISPS Code (International Ship and Port Security Code) of 2002 will be implemented in the EU on time (1 July 2004) and that all non-EU jurisdictions, especially major flags of convenience, will be in a position to enforce its conditions?
