

ORAL QUESTION H-0803/03

for Question Time at the part-session in January 2004
pursuant to Rule 43 of the Rules of Procedure
by Nuala Ahern
to the Council

Subject: Sellafield endangering lives in Britain and Ireland

Will the Presidency establish an investigation in collaboration with the Commission and Euratom into recent findings by researchers at Dundee University in Scotland and the British Government's Committee Examining Radiation Risks from Internal Emitters (CERRIE) suggesting that plutonium pollution from Sellafield is endangering the health of people in Britain and Ireland?
