

ORAL QUESTION H-0041/04  
for Question Time at the part-session in February 2004  
pursuant to Rule 43 of the Rules of Procedure  
by John McCartin  
to the Commission

Subject: Avian influenza

Can the Commission state, following its decision to suspend imports of poultry meat from Thailand, whether it is satisfied that imports from other Asian countries do not present a threat to human or animal health in the Union?

Tabled: 27.01.2004
