

ORAL QUESTION H-0103/04  
for Question Time at the part-session in March I 2004  
pursuant to Rule 43 of the Rules of Procedure  
by Nuala Ahern  
to the Commission

Subject:           Basic Safety Standards at Nuclear Facilities

What specific procedures have been adopted by the Commission to guarantee that the European Communities' 'Basic Safety Standards' are respected concerning the La Hague and Sellafield nuclear facilities; and how does the Commission determine whether the reprocessing activities at these plants are liable to result in the radioactive contamination of the water, soil or airspace of other Member States?
