

ORAL QUESTION H-0125/04  
for Question Time at the part-session in March I 2004  
pursuant to Rule 43 of the Rules of Procedure  
by John Cushnahan  
to the Commission

Subject: Imposition of road tolls in Ireland

According to a recent report in the Irish Examiner, the Irish Government is planning to impose a series of road tolls across Ireland. According to this report, a toll will be levied on the Jack Lynch Tunnel in Co. Cork.

Given that the EU structural funds provided a large part of the funds for the construction of this tunnel, does the Commission consider that it is appropriate for the Irish Government to charge such a toll?
