

ORAL QUESTION H-0126/04
for Question Time at the part-session in March I 2004
pursuant to Rule 43 of the Rules of Procedure
by Richard Howitt
to the Commission

Subject: Mid-term review of the sugar regime

Given the Commission's recent statement concerning the mid-term review for the sugar regime, what is the Commission's response to the proposal from the ACP least-developed countries that a quota for their sugar exports to Europe be maintained at or near current prices?
