

ORAL QUESTION H-0893/05  
for Question Time at the part-session in November 2005  
pursuant to Rule 109 of the Rules of Procedure  
by Manuel Medina Ortega  
to the Commission

Subject:           Taxation of passenger air traffic

Is the Commission considering ways of preventing national measures on the taxation of passenger air traffic, such as a tax on tickets or aviation fuel, becoming an obstacle to the internal market?
