

ORAL QUESTION H-0904/05
for Question Time at the part-session in November 2005
pursuant to Rule 109 of the Rules of Procedure
by Giorgos Dimitrakopoulos
to the Commission

Subject: Kosovo

Is the participation of the European Union in negotiations on the future of Kosovo secure? And has a list been drawn up of subjects and problems in respect of which the European Union, and in particular the Commission and European Parliament, could make a substantive contribution, especially since existing documents of EU institutions on Kosovo specifically mention the prospect of possible future membership?
