

ORAL QUESTION H-1006/05
for Question Time at the part-session in December 2005
pursuant to Rule 109 of the Rules of Procedure
by Milan Gaľa
to the Commission

Subject: Combating the emergent market in antivirals in EU Member States

In connection with the increasing signs from several Member States of the emergence of a black market in antiviral drugs against influenza, can the Commission indicate what steps it is taking against this irresponsible action by individuals and/or organised groups?
