

ORAL QUESTION H-0496/06  
for Question Time at the part-session in June 2006  
pursuant to Rule 109 of the Rules of Procedure  
by Reinhard Rack  
to the Council

Subject: Alpine Convention

The Alpine Convention and its protocols form a very complex set of treaties, the implementation of which affects many specialist areas and presents the Alpine states and the Community with new challenges. In its capacity as the country currently holding the Presidency, what encouragement will Austria be giving with a view to meeting these challenges?
