

ORAL QUESTION H-0648/06
for Question Time at the part-session in September I 2006
pursuant to Rule 109 of the Rules of Procedure
by Reinhard Rack
to the Commission

Subject: Uniform European markings for emergency service vehicles

There have been frequent calls in the Member States for vehicles used by the security and emergency services (police, Fire service, civil protection and so on) to have uniform logos/markings, as has been the case for the ambulance service (Red Cross) for some time.

Does the Commission consider it would be possible to bring forward proposals and/or introduce legislative measures to this effect?
