

ORAL QUESTION H-0391/07
for Question Time at the part-session in June 2007
pursuant to Rule 109 of the Rules of Procedure
by Leopold Józef Rutowicz
to the Commission

Subject: Financial resources to combat the adverse effects of climate change

Many climate changes are occurring at present, causing crop failures, floods, drought, environmental change, and so on. In order to combat the effects of such phenomena, a reserve of funds is needed. Will the Commission make provision for a constant increase in the funds available for combating these phenomena?
