

ORAL QUESTION H-0570/07
for Question Time at the part-session in September I 2007
pursuant to Rule 109 of the Rules of Procedure
by Grażyna Staniszevska
to the Commission

Subject: Mainstreaming for disabled people

Welcoming the Commission's support for the principle of mainstreaming for disabled people, on how many occasions has the Inter-Service Group organised by DG Employment and Social Affairs met during 2007, and which Directorates-General of the Commission have not been present at these meetings? In connection with this week's visit to Strasbourg by the European Network for Independent Living, and welcoming the Commission's commitment to 'ring fence' a fixed percentage of its overseas development assistance to health, education and social services, which steps is the Commission making to make sure community development projects for disabled people benefit from these funds?
