

ORAL QUESTION H-0054/08
for Question Time at the part-session in February 2008
pursuant to Rule 109 of the Rules of Procedure
by Bairbre de Brún
to the Commission

Subject: Undergrounding of wires

Does the Commission have any plans to bring forward regulations on the undergrounding of electric wires?

In particular, does the Commission have any guidelines on best practice regarding the installation of high-voltage wires in residential areas?
