Subject:           Role of the EU mission to Kosovo

The Prime Minister of Kosovo has recently stated that the declaration of independence is a matter of days away. The Russian Foreign Minister has linked the EU mission to Kosovo with a new UN Security Council resolution on the presence of the international community in Kosovo.

What is the mandate and the timetable for the EU's mission to Kosovo? Is the Council expecting a new UN Security Council resolution to make any changes in relation to the presence of the international community in Kosovo?
