pursuant to Rule 109 of the Rules of Procedure

Subject: Terrorist threats

We saw last November the terrorist attacks in Mumbai, where many EU citizens' lives were threatened. In light of the Madrid and London bombings in 2004 and 2005 respectively, it is clear that we are under threat from similar attacks on the EU. Can the Commission tell us what we are doing to strengthen and enforce information exchange between Member States' police forces to respond to such attacks?
