

ORAL QUESTION H-0177/09
for Question Time at the part-session in April 2009
pursuant to Rule 109 of the Rules of Procedure
by Jim Allister
to the Commission

Subject: Block Exemption Regulation

What kind of impact assessment has been conducted of the implications of the abolition of the Block Exemption Regulation (1400/2002¹) for motorists and car repair agencies? In particular, will the latter face additional costs as a result of more restricted access to information and supplies, which could be monopolised by larger players?
