

2015/2105(INI)

29.2.2016

AMENDMENTS

1 - 97

Draft opinion

Dita Charanzová

(PE576.695v01-00)

A new forward-looking and innovative future strategy on trade and investment
(2015/2105(INI))

Amendment 1
Dita Charanzová

Draft opinion
Paragraph -1 (new)

Draft opinion

Amendment

-1. Welcomes the Commission's communication on "Trade for all. Towards a more responsible trade and investment policy";

Or. en

Amendment 2
Nicola Danti, Sergio Gutiérrez Prieto

Draft opinion
Paragraph 1

Draft opinion

Amendment

1. Stresses the link between the single market and EU trade policy, ***and the fact that open*** and free global trade ***is essential to making the single market function and grow;***

1. Stresses ***that EU common trade policy should be fully compatible with other EU policies and objectives and highlights the importance of*** the link between the single market and EU trade policy; ***believes that an open, fair*** and free global trade ***could strengthen internal and external EU competitiveness, sustainable and durable growth and social cohesion;***

Or. en

Amendment 3
Sergio Gutiérrez Prieto, Nicola Danti, Liisa Jaakonsaari, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion
Paragraph 1

Draft opinion

1. Stresses the link between the single market and EU trade policy, and the fact that open and *free* global trade is essential to making the single market function and grow;

Amendment

1. Stresses the link between the single market and EU trade policy, and the fact that *a dynamic*, open and *fair* global trade *system* is essential to making the single market function and grow; *However, notes that this system needs effective, fair, transparent and strong global rules; Highlights that the multilateral rule-based system under the WTO is the most legitimate mean of managing and expanding trade relations in a more transparent and democratic way;*

Or. en

Amendment 4
Evelyne Gebhardt

Draft opinion
Paragraph 1

Draft opinion

1. Stresses the link between the single market and EU trade policy, and the fact that open and free global trade is essential to making the single market function *and* grow;

Amendment

1. Stresses the link between the single market and EU trade policy, and the fact that open and free global trade is essential to making the single market function, grow *and work to the benefit of citizens, consumers and small and medium-sized enterprises;*

Or. de

Philippe Juvin

Draft opinion
Paragraph 1

Draft opinion

1. Stresses the link between the single

Amendment

1. Stresses the link between the single

market and EU trade policy, and the fact that open and free global trade is essential to making the single market function and grow;

market and EU trade policy, and the fact that open and free global trade is essential to making the single market function and grow *in a spirit of reciprocity and mutual benefit*;

Or. fr

Amendment 6
Eva Paunova

Draft opinion
Paragraph 1

Draft opinion

1. Stresses the link between the single market and EU trade policy, and the fact that open and free global trade is essential to making the single market function and grow;

Amendment

1. Stresses the link between the single market and EU trade policy, and the fact that open and free global trade is essential to making the single market *realise its full potential*, function *efficiently* and grow;

Or. en

Amendment 7
Liisa Jaakonsaari

Draft opinion
Paragraph 1

Draft opinion

1. Stresses the link between the single market and EU trade policy, and the fact that open and free global trade is essential to making the single market function and grow;

Amendment

1. Stresses the link between the single market and EU trade policy, and the fact that open, *fair* and free global trade is essential to making the single market function and grow; *notes that trade should ultimately be for the benefit of citizens and consumers*;

Or. en

Amendment 8
Maria Grapini, Marlene Mizzi

Draft opinion
Paragraph 1

Draft opinion

1. Stresses the link between the single market and EU trade policy, and the fact that open *and free* global trade is essential to making the single market function and grow;

Amendment

1. Stresses the link between the single market and EU trade policy, and the fact that open, *free and fair* global trade is essential to making the single market function and grow;

Or. en

Amendment 9
Ildikó Gáll-Pelcz

Draft opinion
Paragraph 1 a (new)

Draft opinion

Amendment

Ia. Supports the Commission's aim of enhancing synergies between trade and internal market policies; recommends that it award priority, in these policies, to measures aimed at creating jobs, improving the trade and investment climate, resistance to economic shocks, fiscal governance and diversification of trade and investment flows, and promoting sustainable development;

Or. en

Amendment 10
Sergio Gutiérrez Prieto, Evelyne Gebhardt, Lucy Anderson, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion
Paragraph 2

Draft opinion

2. Emphasises that, given the EU's status as the largest economy in the world, trade **is its strongest policy** tool for promoting European values abroad **while creating jobs and growth at home**;

Amendment

2. Emphasises that, given the EU's status as the largest economy in the world, **sustainable and responsible** trade **can be a** tool for promoting European values abroad; **points out that a new future EU strategy on trade and investment paired by a coherent EU industrial policy, internal market and the economic policies will add value within the EU by fostering economic growth, investment and creating jobs**;

Or. en

Amendment 11
Emma McClarkin

Draft opinion
Paragraph 2

Draft opinion

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European **values** abroad while creating jobs and growth at home;

Amendment

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting **and supporting** European **interests, investment and business** abroad while creating jobs and growth at home;

Or. en

Amendment 12
Nicola Danti

Draft opinion
Paragraph 2

Draft opinion

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting

Amendment

2. Emphasises that, given the EU's status as the largest economy in the world, trade is **one of** its strongest policy tool for

European values abroad while creating jobs and growth at home;

promoting European values abroad while ***having the potential for*** creating jobs and growth at home;

Or. en

Amendment 13
Liisa Jaakonsaari

Draft opinion
Paragraph 2

Draft opinion

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European values abroad while creating jobs and growth at home;

Amendment

2. Emphasises that, given the EU's status as the largest economy in the world, ***fair*** trade is its strongest policy tool for promoting European values abroad while creating jobs and growth at home;

Or. en

Amendment 14
Eva Paunova

Draft opinion
Paragraph 2

Draft opinion

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European values abroad while creating jobs and growth at home;

Amendment

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European values abroad while creating ***sustainable*** jobs and growth at home;

Or. en

Amendment 15
Dita Charanzová

Draft opinion
Paragraph 2

Draft opinion

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European values abroad while creating jobs and growth at home;

Amendment

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European values abroad while creating jobs and growth at home; ***notes the Commission's statement that exports support almost one in seven jobs in the single market;***

Or. en

Amendment 16

Antonio López-Istúriz White

Draft opinion

Paragraph 2

Draft opinion

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European values abroad while creating jobs and growth at home;

Amendment

2. Emphasises that, given the EU's status as the largest economy in the world, trade is its strongest policy tool for promoting European values abroad while creating jobs and growth at home; ***recalls that the opening up of trade leads to higher productivity, encourages increased external competitiveness and could directly generate economic growth of over 1.5 %, as well as bringing significant consumer benefits;***

Or. es

Amendment 17

Sergio Gutiérrez Prieto, Evelyne Gebhardt, Lucy Anderson, Liisa Jaakonsaari, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion

Paragraph 2 a (new)

Draft opinion

Amendment

2a. Points out that the new trade strategy

shall be conducted in the interest of European consumers and in a coherent manner with the principles, objectives and initiatives of the Union's external actions;

Or. en

Amendment 18

Sergio Gutiérrez Prieto, Evelyne Gebhardt, Lucy Anderson, Liisa Jaakonsaari, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion

Paragraph 2 b (new)

Draft opinion

Amendment

2b. Stresses that the new EU trade strategy should promote wealth distribution, help fighting against poverty and social and economic inequality and contribute to reinforce the rule of law, labour standards, human rights and fundamental freedoms at the same time as it creates economic growth and prosperity;

Or. en

Amendment 19

Sergio Gutiérrez Prieto, Evelyne Gebhardt, Lucy Anderson, Liisa Jaakonsaari, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion

Paragraph 2 c (new)

Draft opinion

Amendment

2c. Points out that the trade policy should be accompanied by appropriate internal EU policies in order to allow consumers and workers in the EU to fully benefit from trade to be equipped with adequate social safety net; recalls the need for EU trade policy to be consistent with the EU's commitments on human rights and to

respect OIT international labour conventions;

Or. en

Amendment 20

Sergio Gutiérrez Prieto, Lucy Anderson, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion

Paragraph 2 d (new)

Draft opinion

Amendment

2d. Points out that investment in education and innovation are key for the EU to compete successfully on the global markets while maintaining high levels of employment under fair conditions; stresses that social consequences of market opening must not only be addressed but foreseen and absorbed in a way that workers have the skills and tools needed to adapt to new challenges ; Considers therefore essential to invest in education and long life learning;

Or. en

Amendment 21

Philippe Juvin

Draft opinion

Paragraph 3

Draft opinion

Amendment

3. Welcomes the fact that the strategy reflects an understanding that protectionism has no place in the EU's internal or external policies and that European goods and services are part of global value chains which make protectionist measures self-defeating;

deleted

Amendment 22

Sergio Gutiérrez Prieto, Liisa Jaakonsaari, Marc Tarabella, Virginie Rozière

Draft opinion

Paragraph 3

Draft opinion

3. Welcomes the fact that the strategy reflects *an understanding that protectionism has no place in the EU's internal or external policies and that European goods and services are part of global value chains which make protectionist measures self-defeating;*

Amendment

3. Welcomes the fact that the strategy reflects *that European goods and services are part of global value chains; calls on the Commission and Member States to strengthen cross-border value chains of goods and services enhancing the competitiveness of our economies and economic growth by reducing unjustified trade barriers;*

Or. en

Amendment 23

Ildikó Gáll-Pelcz

Draft opinion

Paragraph 3

Draft opinion

3. Welcomes the fact that the strategy reflects an understanding that protectionism has no place in the EU's internal or external policies and that European goods and services are part of global value chains which make protectionist measures self-defeating;

Amendment

3. Welcomes the fact that the strategy reflects an understanding that protectionism has no place in the EU's internal or external policies and that European goods and services are part of global value chains which make protectionist measures self-defeating; *Considers that the current trade defence system in the EU needs to be updated to provide a suitable answer to unfair behaviour which affects international trade in a globalised world;*

Or. en

Amendment 24
Maria Grapini

Draft opinion
Paragraph 3

Draft opinion

3. Welcomes the fact that the strategy reflects an understanding that protectionism has no place in the EU's internal or external policies and that European goods and services are part of global value chains which make protectionist measures self-defeating;

Amendment

3. Welcomes the fact that the strategy reflects an understanding that protectionism has no place in the EU's internal or external policies and that European goods and services are part of global value chains which make protectionist measures self-defeating;
Draws attention to the fact that China will receive Market Economy Status by the end of 2016; recommends in this sense the introduction of adequate anti-dumping rules as Trade Defence Measures;

Or. en

Amendment 25
Nicola Danti, Sergio Gutiérrez Prieto

Draft opinion
Paragraph 3 a (new)

Draft opinion

Amendment

3a. Stresses the importance of ensuring that the EU and its trading partners play by equal rules; recalls that the EU must use all tools at its disposal to stand firm against unfair competition and non-compliance with both WTO principles and commitments taken by its trading partners;

Or. en

Amendment 26
Ildikó Gáll-Pelcz

Draft opinion
Paragraph 3 a (new)

Draft opinion

Amendment

3a. Believes that it responds to sound legal and logic principles that complainants in investigations have to substantiate their allegations and prove that these measures are in the broader Community interest;

Or. en

Amendment 27
Maria Grapini, Marlene Mizzi

Draft opinion
Paragraph 3 a (new)

Draft opinion

Amendment

3a. Considers that the European SME's participation to Global Value Chains is directly linked to the internationalization process; Requests in this sense the that the Commission take more measure in order to facilitate SME's access to third markets;

Or. en

Amendment 28
Philippe Juvin

Draft opinion
Paragraph 3 a (new)

Draft opinion

Amendment

3a. Takes note of the new strategy and recalls that commerce has to encourage

the development of international trade, while taking account of the specificities and sensibilities of certain sectors and emphasises that European goods and services form part of global value chains;

Or. fr

Amendment 29
Evelyne Gebhardt

Draft opinion
Paragraph 3 a (new)

Draft opinion

Amendment

3a. Calls on the Commission, as regards the provisions on geographical indications of origin, not to disadvantage developing countries in trade agreements;

Or. de

Amendment 30
Sergio Gutiérrez Prieto, Nicola Danti, Lucy Anderson, Liisa Jaakonsaari, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion
Paragraph 3 a (new)

Draft opinion

Amendment

3a. Calls on the Commission on one hand to support SMEs going global and to make available more internationalization tools, which would result in increased export capacity, and on the other hand to ensure protection of SMEs from unfair trading practices;

Or. en

Amendment 31
Dita Charanzová

Draft opinion
Paragraph 3 a (new)

Draft opinion

Amendment

3a. Underlines that trade policy must support European SMEs, both directly through guidance on overcoming non-tariff barriers towards exporting their goods and services, but also indirectly through supporting their role as part of the supply chains of final product exporters; welcomes the strategy's commit to include SME chapters in all future FTAs as well as cross-chapter references to SMEs;

Or. en

Amendment 32
Dita Charanzová

Draft opinion
Paragraph 3 b (new)

Draft opinion

Amendment

3b. Welcomes the Strategy's comments on the role foreign direct investments plays in the Member States and the single market and supports all efforts towards encouraging greater FDIs in Europe;

Or. en

Amendment 33
Sergio Gutiérrez Prieto, Evelyne Gebhardt, Lucy Anderson, Liisa Jaakonsaari, Marc Tarabella, Virginie Rozière

Draft opinion
Paragraph 3 b (new)

Draft opinion

Amendment

3b. Acknowledges that in order for the EU to secure its place in global value chains a joined-up strategy across different areas of economic policy is needed; stresses the importance to ensure responsible management of supply chains, to tackle aggressive corporate profit shifting and tax avoidance strategies that profit from the fragmentation of value chains; Calls on the Commission for further and ambitious measures against aggressive tax planning and tax avoidance (tax rulings) which distort trade and competition, in order to promote balanced trade and fair competition between Member States and with third countries;

Or. en

Amendment 34

Sergio Gutiérrez Prieto, Nicola Danti, Evelyne Gebhardt, Lucy Anderson, Liisa Jaakonsaari, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion

Paragraph 3 c (new)

Draft opinion

Amendment

3c. Highlights the importance of promoting innovation and quality as an added value of European products; notes that the recognition in trade agreements of geographical indications should be a priority, it equally notes that the extension of geographical indications to non-agricultural products could be a tool to encourage international trade expansion; notes that this tool could be effective to fight against commercial frauds and counterfeiting of goods at the same time as it fosters R+D and competitiveness for our businesses;

Or. en

Amendment 35

Sergio Gutiérrez Prieto, Nicola Danti, Evelyne Gebhardt, Liisa Jaakonsaari, Marlene Mizzi, Marc Tarabella, Virginie Rozière

Draft opinion

Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement *while ensuring a level playing field for an equal and fair access to it, urges the Commission to defend EU rules and standards when negotiating trade and investment agreements with non EU-countries;*

Or. en

Amendment 36

Emma McClarkin

Draft opinion

Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic *yet* ambitious approach to public procurement;

Amendment

4. *Recognising that public procurement accounts for 15-20% of global GDP* agrees with the Commission on the need to take a holistic *and* ambitious approach to public procurement, *especially within TTIP where only 32% of the US market is currently open to EU business;*

Or. en

Amendment 37

Dita Charanzová

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement; ***calls on the Commission to work to increase market access for European companies abroad while maintaining open access to the single market via the application of the public procurement directive;***

Or. en

Amendment 38
Liisa Jaakonsaari

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement; ***Notes that the EU has already opened up its Public Procurement markets to a large extent but that European companies still face restrictions abroad;***

Or. en

Amendment 39
Ildikó Gáll-Pelcz

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement; ***Welcomes***

the Commission's current efforts to provide access to third country markets, but considers that further improvements should be made to make this instrument more suited and more easily exploitable by SMEs;

Or. en

Amendment 40
Philippe Juvin

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement *ensuring reciprocity in access to public procurement; reiterates the importance for the European Union of having a reciprocity instrument for public procurement;*

Or. fr

Amendment 41
Nicola Danti, Sergio Gutiérrez Prieto

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement *and believes that the amended proposal of the European Commission on an International Procurement Instrument (IPI) could be an important tool to secure reciprocity in the field of International Public Procurement market;*

Amendment 42
Robert Rochefort

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic *yet* ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic ***and*** ambitious approach to public procurement; ***recalls the urgent need to improve substantially conditions for granting EU undertakings access to public procurement in third countries; welcomes the publication by the Commission of its amended Proposal for a regulation on the access of third-country goods and services to the Union's internal market in public procurement and procedures supporting negotiations on access of Union goods and services to the public procurement markets of third countries (COM(2016)0034);***

Or. fr

Amendment 43
Evelyne Gebhardt, Sergio Gutiérrez Prieto

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement; ***given the legislation on public procurement in the EU which came into force in 2016 and the possibility of reciprocal open market access for public procurement, calls for the achievements of the new directive on public procurement to be put into***

practice; points out that the fundamental principles for public in-house consultations, public-public cooperation and public-private partnership management systems should always be clearly defined and exempted from the Public Procurement Directive, as regards both the general economy and public utilities (water, energy, transport and the post office); points out, further, that the MEAT criteria applied in the legislation make it possible to use social, labour, quality and environmental considerations as award criteria in public procurement procedures, that they are therefore particularly significant and that they should take priority over purely cost-based decision-making;

Or. de

Amendment 44
Maria Grapini

Draft opinion
Paragraph 4

Draft opinion

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement;

Amendment

4. Agrees with the Commission on the need to take a holistic yet ambitious approach to public procurement; *Asks for a faster transition to e-procurement in order to facilitate companies' access to public procurement, SME's in particular;*

Or. en

Amendment 45
Ildikó Gáll-Pelcz

Draft opinion
Paragraph 4 a (new)

Draft opinion

Amendment

4a. Recalls that public tenders are one of the most promising economic sectors for the European economy and for SMEs in particular; expresses concern at the persisting restrictions in many third countries, which refuse to guarantee European companies similar access to their tender procedures or which apply standards that, in many cases, lack transparency and fairness;

Or. en
