The agenda was adopted, as shown in these decisions.

I.2 Announcements

I.2.1 Main items of the Conference of Committee Chairs

None.

I.2.2 Conflicts with other Committees

Title / Procedure	State of Play
Harmonised rules on Artificial Intelligence (Artificial Intelligence Act) and amending certain Union Legislative Acts 2021/0106(COD) (AM/ PhS/SWJ)	Referral to IMCO in plenary on 8 June. LIBE has decided to request Rule 58. JURI has decided to challenge the lead. ITRE has decided to challenge the lead. CULT has decided to request Rule 57. The Chair wrote to the CCC Chair to respond to all claims, asking to maintain IMCO's lead; no agreement was found in negotiations. The CCC recommendation was issued on 8 October with the following: <ul style="list-style-type: none">• Rule 58 (joint committee procedure) for JURI;• Rule 57 (exclusive and shared competences) for ITRE;• Rule 57 (shared competences) for LIBE;• Rule 57 (shared competences) for CULT. Final CoP decision on 1 December: <ul style="list-style-type: none">• IMCO–LIBE joint procedure rule 58• Rule 57+ (exclusive and shared competences) for JURI

	<ul style="list-style-type: none"> • Rule 57 (exclusive and shared competences) for ITRE; • Rule 57 (shared competences) for CULT.
<p>Transparency and targeting of political advertising</p> <p>2021/0381(COD)</p> <p>(PS/JRV)</p>	<p>The proposal was published by the Commission on 25 December. On 13 December it was announced in Plenary and referred to IMCO as Lead Committee, with JURI, LIBE and AFCO for Opinion. CULT was added only later for opinion following their request.</p> <p>-On 11 January CULT sent a letter to the CCC requesting "at least" Rule 57 (mentioning that it could also be Rule 58). On 14 January CULT sent a second letter, expanding the arguments described in the first, and requesting (disproportionately) the application of Rule 58 based on their competences on the AVMSD, as they claim some political advertisement can be made on TV or written press and not only on platforms.</p> <p>On 13 January LIBE sent a letter requesting association under Rule 57, with exclusive competence on matters under their remit, especially Articles 12 & 13, as they involve the processing of personal data.</p>
<p>Amending Regulation (EU) No 910/2014 as regards establishing a framework for a European Digital Identity</p> <p>2021/0136(COD)</p> <p>(DB/AK)</p>	<p>Referral to ITRE in plenary on 8 July.</p> <p>Following a decision by IMCO Coordinators, on 16 July the IMCO Chair sent a letter to the CCC, requesting an association under Rule 57 with exclusive and shared competences. ITRE replied, offering to IMCO only two provisions on accessibility. By a second letter to the CCC, IMCO repeated its initial request.</p> <p>On 4 October 2021, ITRE, JURI and LIBE sent to the CCC a common agreement on the collaboration modalities for the proposal, where some of the provisions requested by IMCO were offered to JURI. IMCO is offered exclusivity again only on the two provisions relating to accessibility.</p> <p>Further to a new letter sent by IMCO and reopening of the negotiations, an agreement was found between Committees on 27 October, granting IMCO exclusive competence on accessibility and mutual recognition, and shared competences notably on digital wallets.</p> <p>The CCC took note of the agreement between the committees on 23 November, and submitted it to the CoP for endorsement. CoP endorsed it on 8 December.</p>
<p>IMCO Hearing – Impact of restrictions imposed during the COVID-19 crisis on the free movement of professionals and way forward</p> <p>(MaC/AK)</p>	<p>IMCO Coordinators approved by written procedure to organise the hearing in the first half of 2022 to be endorsed by the CoP. The hearing was to take place on 24/25 January 2022.</p> <p>EMPL insisted to be involved in this hearing, which means having the possibility to select 1 speaker and participation of the EMPL Chair + 1 Member. The secretariat has made clear that this request is not acceptable for IMCO, as the hearing would focus on the restrictions to professional services, which relate to IMCO competences.</p> <p>The IMCO Chair agreed to the participation of the EMPL Chair and one Member but without formal association. A joint letter to the CCC Chair has been sent informing about the agreement and that the hearing will take place on 28 February 2022.</p>

<p>ITRE INI - "Implementation of the Updated New Industrial Strategy for Europe: aligning spending to policy"</p> <p>(GdS)</p>	<p>On 5 July 2021 ITRE's Chair requested authorization to draw up an INI on "Implementation of the Updated New Industrial Strategy for Europe: aligning spending to policy".</p> <p>This INI would be a follow-up of the ITRE INI on "A new industrial strategy for Europe", adopted in 2020, for which IMCO provided a simple Opinion (Bielan - 2020/2076 INI), and would take into account the new information provided by the Commission in the Communication titled "Updating the 2020 New Industrial Strategy: Building a stronger Single Market for Europe's recovery" (COM(2021)0350).</p> <p>Considering that some parts of this Communication are related to the internal market, IMCO's Chair on 14 July 2021 requested to ITRE to clarify that the INI didn't intend to cover issues that are under IMCO's competence.</p> <p>ITRE's Chair replied on 28 October 2021, highlighting that the purpose of the INI would be to follow-up on the earlier INI on "A New Industrial Strategy for Europe", taking also into account the Commission Communication mentioned above, by addressing implementation issues with a forward-looking focus particularly on aligning spending to the existing policy.</p> <p>Since the answer by ITRE didn't clarify the matter, IMCO's Chair replied on 9 November 2021 informing ITRE's Chair that, without the aforementioned clarification, IMCO would ask for association under rule 57 for the parts related to Chapter 2, 3 and 4 of the Commission Communication.</p> <p>INTA and TRAN Committee also requested association under Rule 57.</p> <p>On 19 November 2021 ITRE's Chair sent a letter to the CCC's Chair asking for a Recommendation to solve the issue.</p> <p>On 7 January 2022 the CCC Chair recommended to the CoP that ITRE Committee remains responsible and that the IMCO, TRAN and INTA Committees contribute with opinions under Rule 56+, with the following additional elements of cooperation:</p> <ul style="list-style-type: none"> - IMCO, TRAN and INTA Rapporteurs shall be invited to attend all exchanges of views, workshops and hearings scheduled in the ITRE committee; - IMCO, TRAN and INTA Rapporteurs shall be invited to attend the ITRE Committee's shadows meetings; - Bilateral meetings shall take place between the IMCO, TRAN, INTA and ITRE Rapporteurs regarding the opinion-giving committees' specific interests and concerns.
<p>AFET/INTA – INI</p> <p>Implementation report on the EU-UK Trade and Cooperation Agreement</p> <p>(CM/MaC)</p>	<p>By letter D 307675 of 16 November the AFET and INTA Chairs requested the authorisation of an implementation report on the EU-UK Trade and Cooperation Agreement (TCA), indicating that the procedure for that report should be equal to the one on the implementation report on the Withdrawal Agreement, 2020/2202(INI). Nevertheless, the organization and distribution of work by committees, and particularly the role of the committees with the relevant sectoral expertise in the scrutiny of both the Withdrawal Agreement and the TCA is still subject to discussion. By letter of 7 December D(2021)27076 IMCO requested the withholding of the authorisation of the TCA implementation report until an agreement within the CCC on the competencies in the scrutiny is found.</p> <p>At the CCC meeting of December the AFET/INTA request was not endorsed. CCC Chair Tajani called for finding a compromise for the next CCC meeting, to make sure that the expertise of relevant committees is properly taken into account.</p>

<p>CULT INI</p> <p>E-sport and videogames</p> <p>(GdS/MiC)</p>	<p>On 8 December 2021, CULT Committee’s Chair requested the authorisation to draw up an own initiative report on “E-sport and videogames”.</p> <p>In its letter, the CULT Committee considers that the topic would be a follow-up of the Parliament’s Resolution of 23 November 2021 on “EU sports policy: assessment and possible ways forward” (2021/2058(INI)).</p> <p>Considering that in the Resolution mentioned above there is no reference to video games and that the title and the content of the requested INI seem to broaden the scope to issues that may fall within IMCO remit, such as consumer protection in the gaming sector, including online video games, online gambling, and compliance of online platforms, on 13 December 2021 IMCO's Chair requested a clarification of the precise scope of the INI.</p> <p>On 14 January 2022 CULT Committee's Chair replied to the request of clarification by stating that CULT’s approach is to tackle the topic under the sports’ angle, with an additional focus on youth engagement, creativity and educational aspects and to continue the discussion initiated by the EP resolution on ‘EU sports policy’, which called for the EU institutions to launch a debate on the future and opportunities of “E-sport”. CULT's Chair underlined that INI report will not be focused on topics under IMCO’s exclusive competences.</p>
--	--

The Chair informed coordinators about the request by EMPL to be associated to the upcoming IMCO INI on **AccessibleEU Centre in support of accessibility policies in the EU internal market**, which was submitted by EMPL after the CCC had endorsed the INI in a written procedure. Coordinators agreed, in the spirit of good cooperation between the committees, to invite EMPL to contribute with an opinion under rule 56+.
